

7.1.5 Waste Management:-

Solid Waste Management: Use of Dust Bins: The institution takes all measures and precautions to ensure the campus is free of plastic materials and other harmful wastes. The institution follows the policy of Reduce, Reuse and Re-cycle. Separate dustbins are provided in the campus for dry wastage and wet wastage. The institution further takes precautions to maintain tranquility in the campus. Honking is strictly prohibited in the campus.

Institute does not generate any hazardous waste. Garbage collection from the Institute areas, hostels and office buildings is arranged by the Institute. These are lifted from the garbage dumps daily by the Shirpur Nagrpalika.

Garbage collection process

Liquid Waste Management:

- Drinking water facility is arranged in every building of the campus.
- Wastage of drinking water is restricted through proper monitoring.
- Waste water is properly drained out to maintain the greenery in the campus as well as providing ecologically aesthetic environment.
- Proper drainage system is arranged for all the buildings of the campus
- IMRD not use any chemicals and other liquids so no chance for liquid waste.

E-Waste Management:

- E-Waste Management:
- Electronic goods are put to optimum use; the minor repairs are set right by the staff and the laboratory assistants; and the major repairs, by the professional technicians, and are reused
- UPS Batteries are recharged/ repaired /exchanged by the suppliers.
- Institute has a policy 'Waste to Best'. Under this policy Institute donates the outdated computers to our parent educational trust so that they can provide these computers to the needed trust's schools.
