## Action Taken Report 2016-17

#### Feedback as a process of Improvement:

Our Institute initiated to carry out the process of taking feedback from different stakeholders. Their suggestions and feedback are welcomed and taken into consideration seriously by the Institute.

### Students:

- For improvement in overall development activities of Institute, we take feedback from students every year.
- In feedback we cover Institute infrastructure, Teacher's evaluation, skill development and other academic activities. This evaluation is done on different parameters. The purpose of this evaluation is to take students feedback on the strong and weak areas of the institute and to suggest changes or alteration in overall development process of the institute.
- Students were satisfied with the current syllabus; no special demand from them for syllabus improvement.
- Feedback analysis report was given to IQAC for further actions.

## **Teachers:**

- For improvement in the curriculum, teaching, learning and evaluation process we collect feedback and suggestions from Teachers.
- In feedback we cover infrastructural facilities, evaluation process, syllabus, teaching process, etc for further development of the institute.
- Regular Staff meetings and Departmental Meetings are conducted in which the staff discusses various issues related to students, development activities and examination.
- We invited feedback from faculties for syllabus reframing they were suggested introduction of new courses and improvement in some courses.
- All these suggestions were given to IQAC.
- IQAC suggested writing letter to BOS.
- The Letter was written to BOS regarding syllabus reframing.

#### Alumni:

- The Institute seeks feedback from its alumni. Their information, guidance and suggestions to improve the quality of education and facilities are immensely valued.
- Suggestions regarding syllabus change are welcomed for developing the curriculum as per present need of recruiters.
- We invite alumina for providing valuable suggestion on the syllabus all the suggestions from alumina handover to IQAC by HODs. IQAC approved some of these suggestions for further actions. In the syllabus reframing our faculties lay down all these suggestions.
- Feedback analysis report was given to IQAC for further actions.

#### **Employer:**

- The institute collects the feedback forms from the employers for improvement in development activities.
- Employer's valuable suggestions provide input for developing the curriculum, activities, and new courses in the syllabus for future employable skills set required within student.
- We invite feedback from employers for providing valuable suggestion on the syllabus all the suggestions from alumina handover to IQAC by HODs. IQAC approved some of these suggestions for further actions. In the syllabus reframing our faculties lay down all these suggestions.
- Feedback analysis report was given to IQAC for further actions.

#### Action Taken Report 2017-18

#### Feedback as a process of Improvement:

Our Institute initiated to carry out the process of taking feedback from different stakeholders. Their suggestions and feedback are welcomed and taken into consideration seriously by the Institute.

#### **Students:**

- For improvement in overall development activities of Institute, we take feedback from students every year.
- In feedback we cover Institute infrastructure, Teacher's evaluation, skill development and other academic activities. This evaluation is done on different parameters. The purpose of this evaluation is to take students feedback on the strong and weak areas of the institute and to suggest changes or alteration in overall development process of the institute.
- Students were demanded training courses like Python Programming, Mobile Application Development using Android and IOS, etc.
- Students were expected more general knowledge books.
- Student Feedback analysis report was given to IQAC for further actions.
- IQAC suggested for conducting training courses and increase budget for buying more books of general knowledge.

#### **Teachers:**

- For improvement in the curriculum, teaching, learning and evaluation process we collect feedback and suggestions from Teachers.
- In feedback we cover infrastructural facilities, evaluation process, syllabus, teaching process, etc for further development of the institute.
- Regular Staff meetings and Departmental Meetings are conducted in which the staff discusses various issues related to students, development activities and examination.
- Teachers demanded more development activities and support for self-development.
- Teacher Feedback analysis report was given to IQAC for further actions.
- IQAC suggested teachers for participating more faculty development programs, seminars, workshop, conferences, etc.

#### Alumni:

- The Institute seeks feedback from its alumni. Their information, guidance and suggestions to improve the quality of education and facilities are immensely valued.
- Alumni suggested for conducting training courses for technical and soft skill developments for students.
- Alumni Feedback analysis report was given to IQAC for further actions.
- Feedback analysis report was given to IQAC for further actions.
- IQAC accepts suggestions and suggested to conduct more seminars and workshops for technical skill development and also suggested more activities related to soft skill development.

#### **Employer:**

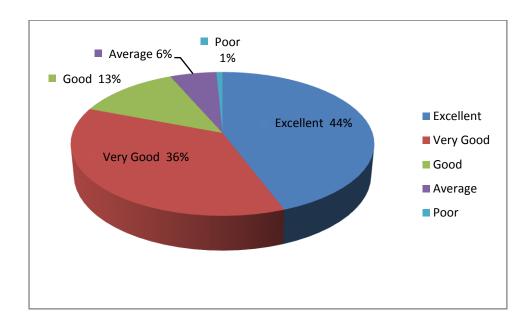

- The institute collects the feedback forms from the employers for improvement in development activities.
- Employer's valuable suggestions provide input for developing the curriculum, activities, and new employable skills set required within student.
- Employers suggested for improvement in communication and soft skill developments for students.
- Employer Feedback analysis report was given to IQAC for further actions.
- IQAC accepts suggestions and suggested to conduct more activities for communication development.
