

Activity Report

Activity Name: - Session on Introduction to ED Cell - Induction Program

FY BBA/BMS/BCA

Date: - 18th August 2022, Friday, 11:00 AM

Venue: - Seminar Hall, Classroom I & II

Resource Person:- 1) Kaustubha K. Sawant - (FYBBA-A and FYBCA-A)

2) Dr. Priyanka Bhandari – (FYBBA-B)

3) Mrs. Priyanka Saindane – (FYBMS and FYBCA-B)

4) Dr. Rupali Agrawal - (FYBCA-C)

Objectives: -

- To introduce the FY BBA/BMS/BCA students to the concept of entrepreneurship and its significance in today's dynamic business environment. This includes highlighting the opportunities and challenges associated with entrepreneurship.
- To make the students aware of the existence and role of the Entrepreneurship Development Cell within the institution. This includes an overview of the resources, support, and services provided by the ED Cell.
- To provide an initial exposure to key entrepreneurial skills, such as idea generation, business planning, financial management, and marketing strategies.

Number of Participants: - 365

Events Highlights: -

- The program successfully introduced students to the concept of entrepreneurship. Through engaging presentations and discussions, students gained an understanding of what entrepreneurship entails, its role in the business environment, and the opportunities and challenges it presents. They were exposed to the dynamic nature of entrepreneurship and its potential to drive innovation and economic growth. The session provided insights into the resources, support, and services offered by the ED Cell.
- The session provided an initial exposure to key entrepreneurial skills, including idea generation, business planning, financial management, and marketing strategies. Practical workshops, seminar and competitions equipped students with the fundamental skills required for entrepreneurship. They actively participated in sessions where they brainstormed business ideas, learned how to draft basic business plans, gained financial literacy, and were introduced to marketing techniques.

- Mr. Kaustubha K. Sawant conducted the session for FYBBA-A and FYBCA-A, Dr. Priyanka Bhandari for FYBBA-B, Priyanka Saindane for FYBMS and FYBCA-B, and Dr. Rupali Agrawal for FYBCA-C. During the session, students were provided with comprehensive information about the Entrepreneurship Development Cell, including how they can initiate their own business and achieve success. The session also covered the fundamental components required for entrepreneurship.

Concluding Remark:

The Introduction to Entrepreneurship Development Cell - Induction Program successfully achieved its objectives. FY BBA/BMS/BCA students are now better informed about the dynamic world of entrepreneurship and its significance. They have been introduced to the essential services offered by the ED Cell, which can serve as a valuable resource throughout their academic journey.

As students continue their studies and venture into the realm of entrepreneurship, it is expected that they will utilize the knowledge and skills gained from this program to pursue their entrepreneurial aspirations. The ED Cell stands ready to support and nurture these budding entrepreneurs, helping them transform ideas into successful ventures and contribute to the ever-evolving business landscape.

Activity Report

Activity Name: - Seminar on recent trends in Start ups

Date: - 11th January, 2023, 11:00 AM

Place :- Class room No 10

Objectives: -

- To introduce students to the latest technological trends shaping the startup landscape, such as artificial intelligence, blockchain, and Internet of Things (IoT).
- To help attendees understand current market dynamics, including market trends, consumer preferences, and global economic factors affecting startups.
- To highlight the growing importance of sustainability and social impact in startup ventures and how businesses can align with these trends.
- To showcase successful startup stories and case studies, analyzing their strategies, challenges, and the lessons that can be learned from them.

Number of Participants: - 105 (IMCA III & IV)

Events Highlights: -

Event “Seminar on recent trends in Startups”, was organized by Entrepreneurship Development and Business Consultancy Cell of R. C. Patel Institute of Management Research and Development, Shirpur on 11th January, 2023 at IMRD’s Seminar Hall, Shirpur. Interested student from IMCA III & IV were attended this session. The seminar was delivered by Dr. Priyanka V. Bhandari

Dr. Priyanka V. Bhandari started the session with a brainstorming exercise. She shared the list of unicorn startups to the student along with their success journey, business model and product details. In the seminar to maintain the interest of students, she started interacting with the students by asking them their goals, expertise, interest etc. She has added new upcoming business trends in the artificial intelligence, blockchain, and Internet of Things (IoT). The speaker also educated the students that the feedback of customer plays a vital role to get your product succeed including recent marketing modes for startups. At the end of session question answer session was conducted.

Concluding Remark: - The Seminar on Recent Trends in Start-ups conducted by Dr. Priyanka Bhandhari on 11th January 2023 was a highly informative and engaging event. It successfully achieved its objectives by introducing students to cutting-edge technological trends, elucidating market dynamics, emphasizing the importance of sustainability and social impact, and showcasing practical lessons from successful start-ups.

This seminar provided students with a comprehensive understanding of the rapidly evolving start-up landscape and equipped them with knowledge that is essential for aspiring entrepreneurs and business leaders. Dr. Bhandhari's expertise and interactive approach ensured that the session was both educational and inspiring, leaving attendees with a renewed enthusiasm for entrepreneurship and innovation.

Activity Report

Activity Name: - Seminar on “Franchise Business Model”

Date: - January 12th 2023

Venue: - S. M. Patel Auditorium Hall

Resource Person: - Dr. Rupali Agrawal

Objectives: -

- A key focus of the seminar was on the benefits of franchising, which include established brand recognition, proven business processes, and on-going support from the franchisor.
- Speakers emphasized the importance of due diligence before investing in a franchise, including thorough research, financial planning, and legal considerations.

Number of Participants: - 55 (Integrated MCA 5th Sem.)

Events Highlights: -

The Seminar on the “Franchise Business Model”, was organized by Entrepreneurship Development and Business Consultancy cell on 12th January 2023 in seminar Hall, Students from IMCA – V class attended this session. The Seminar was conducted by Dr. Rupali P. Agrawal, provided an insightful exploration of the franchise business model and its relevance in today's dynamic business landscape. This seminar aimed to shed light on the critical components of franchising, its advantages, challenges and the future prospects of this business model.

The franchise business model, characterized by a franchisor granting the rights to operate under their established brand and business system to a franchisee, has emerged as a prominent and resilient form of business expansion. Throughout the seminar, the attendees gained insights into franchise business operations, financing options, and marketing strategies.

During the seminar, Dr. Rupali P. Agrawal shared her knowledge and experience, providing attendees with a deep understanding of the franchise business model. The seminar featured interactive discussions, case studies, and practical insights to enrich the understanding of franchising.

Concluding Remark: -

The Seminar on the Franchise Business Model, conducted by Dr. Rupali P. Agrawal, was a comprehensive and informative event that contributed to a better understanding of franchising. It emphasized the potential of franchising as a powerful business model for both aspiring entrepreneurs and established companies looking to expand their reach. The lessons, insights, and case studies shared during the seminar served as valuable takeaways for all participants.

Activity Report

Activity Name: - Seminar on MSME (Micro, Small, Medium Enterprise) Business Opportunities.

Date: - 13th January 2023, 11:00 AM

Place :- Seminar Hall

Objectives: -

- To encourage and inspire aspiring entrepreneurs to explore opportunities within the MSME sector, fostering a spirit of entrepreneurship.
- To inform participants about government policies, incentives, and support programs available to MSMEs, encouraging them to take advantage of these resources.
- To provide insights into current trends, market dynamics, and emerging opportunities within different MSME sectors, helping participants make informed business decisions.

Number of Participants: - 98 students (IMCA- I & II classes)

Events Highlights: -

Event “Seminar MSME (Micro, Small, Medium Enterprise) Business Opportunities”, was organized by Entrepreneurship Development and Business Consultancy Cell of R. C. Patel Institute of Management Research and Development, Shirpur on 13th January 2023 at IMRD’s Seminar Hall, Shirpur. Interested student from IMCA- I & II classes were attended this session. The was conducted by Mr. Kaustubha Sawant.

Mr. Kaustubha Sawant opened the seminar by emphasizing the critical role of MSMEs in the global economy and how they serve as engines of economic growth and employment generation. A significant portion of the seminar was dedicated to discussing the various government policies, incentives, and support programs available for MSMEs. Mr. Sawant highlighted the ease of doing business through the simplification of registration processes and the availability of credit and financial support.

Participants were provided with valuable insights into the current trends and emerging opportunities within the MSME sector. Mr. Sawant discussed how sectors such as renewable energy, healthcare, e-commerce, and technology-related businesses are witnessing tremendous growth and offer promising prospects for new entrepreneurs.

The seminar included real-life success stories of entrepreneurs who started their journey in the MSME sector. These stories served as inspiration and demonstrated that with determination and the right strategy, success is achievable.

The seminar concluded with an interactive Q&A session, where participants could ask specific questions and seek advice tailored to their business aspirations.

Concluding Remark: -

As a result of this seminar, it is expected that more individuals will be inspired to venture into the MSME sector, contributing to economic growth and employment generation. The event was an excellent platform for knowledge sharing and networking, further fostering the spirit of entrepreneurship in the community. The seminar was a resounding success, leaving participants better informed and motivated to explore the vast array of opportunities within the MSME sector.

Works Ahmednagar, Director- Sunrise Digital Arts Director- Sharp Consultancy, President – Sanjivini Samajik, Shaikhanik, Arogya Sanstha President - Naresh Raut Foundation, Shirdi

Mr. Deepak Thakane,
District Project Officer, MCED (Dhule-Nandurbar)

Objectives: -

- To inform government initiatives and schemes for Entrepreneurship Development among students
- To sign MOU with Maharashtra Center for Entrepreneurship Development (MCED), Dhule

Number of Participants: - 204

Events Highlights: -

The Entrepreneurship Development and Consultancy cell of R. C. Patel Institute of Management Research and Development, Shirpur organized program on “Institute and Government Initiative for Entrepreneurship Development” in association with Maharashtra Centre for Entrepreneurship Development (MCED) on 16th February 2023 in S. M. Patel Auditorium Hall, Shirpur.

The program commenced with a gracious welcome to the guests and a ceremonial lighting of a lamp. The program was marked by the introduction of each guest, who were given a warm welcome. Following the program, Mr. Raviraj Santosh Bhalerao was felicitated by Dr. Vaishali Patil and Mr. Dipak Thakane was honored by Mr. Manoj Behere.

The program was followed by the felicitation of Mr. Raviraj Santosh Bhalerao by Dr. Vaishali Patil Madam & Mr. Dipak Thakane by Manoj Behere sir.

The Director of the institute Dr. Vaishali Patil expressed her thoughts on this occasion, if the students want to survive in the competition, it is important to build standards and confidence, strive for it and most importantly be self-motivated and focus on the targets. Mr. Dipak Thakane, project officer of Dhule and Nandurbar district, guided the students about the role of the government behind the planning of such programs and its opportunities.

The chief guest and guiding speaker Hon'ble Raviraj Bhalerao, trainer of Maharashtra Entrepreneurship Development Center, while guiding the students spoke about the need to identify one's qualities and develop necessary skills to become an entrepreneur. In that sense, how can one identify opportunities as an entrepreneur and establish an enterprise to solve social problems. In this regard, detailed information about various government schemes such as facilities, guidance, seed capital and grants provided by the government through various means- District Industry Center, Annabhau Patil Economic Development Corporation, Mahatma Phule Economic Development Corporation, Maulana Azad Economic Development Corporation for new industries was given through PPT presentation. At the end of this session many doubts of the students were resolved through question-and-answer session.

RCPET's IMRD and Maharashtra Centre Entrepreneurship Development have entered into a Memorandum of Understanding to facilitate several initiatives such as Entrepreneurship Development Programs (EDP), Workshops, mentoring and support, and assistance with government schemes to help students transform their innovative ideas into startups.

Concluding Remark: - The purpose of the program was to help students improve their understanding of government initiatives and schemes that are beneficial for entrepreneurship development. RCPET's IMRD has recently signed an MOU with the Maharashtra Center for Entrepreneurship Development (MCED) in furtherance of this objective.

Activity Name: - "BI 2 BI Competition – Phase I & II 2023"

Date: -20th March 2023.

Objectives: -

- The primary aim of the competition was to ignite business ideas and foster the growth of entrepreneurship among students.
- To gain insights into effective business pitching and cultivate crucial career-enhancing skills through our BI 2 BI competition.

Judges: -

1. Dr. Priyanka V. Bhandari
2. Dr. Laxmikant Sharma

Number of Teams: - 17(Total Students 38)from Shirpur, Amalner, Jalgaon cities and 5 colleges.

Events Highlights: -

The Entrepreneurship Development Cell organized University Level a BI 2 BI (Business Idea leads to Business Intelligence) competition on 20th March 2023.

Competition Structure:

The Competition carried out of 3 different phases.

Phase I: Registration and Business Idea submission

Students require to do online registration. They have to submit the business idea with 500 words and submit the PDF/word file. The ideas were shortlisted on the basis of innovative idea, feasibility, market availability etc. The list of shortlisted students was displayed on the institute's website and Whats App group. Nineteen(19) Teams were registered for the competition in total.

Phase II: Online Presentation

Online power point presentation was given by all eligible teams. Eight minutes given for the presentation and two minutes for the question answers. The presentation was conducted through Zoom Platform. Each idea was evaluated by experts on the basis of creativity, benefits, plan of execution etc. The list of eligible teams for the final phase was displayed on the institute's website and Whats App group. Seventeen (17) teams were selected for this phase in total.

Concluding Remark: -

The completion resulted in fulfillment of objective. Students of various streams from overall university regions participated actively. The competition gave them a chance to express their innovative ideas.
