Director

Director's message

Institute of Management Research and Development is highly enlivened by the words of Alvin Toffler – “*The illiterate of this century will not be those who cannot read and write, but those who cannot learn, unlearn, and relearn*”. In today's world where the potential management leaders and the IT experts needs to innovate and redesign themselves perpetually; IMRD nurtures them and provide them with a lavish platform to adapt the radical environment in management and information technology education.

Since its inception in 1997, IMRD has established itself as an unsurpassed institution in the whole North Maharashtra

University region. The institute has earned reputation as a centre for quality education for its prime infrastructure tied up with modern equipments and a disciplinary environment. An academically strong and committed faculty is the backbone of IMRD. A special mention about our Alumni, who are eminent and hold significant position in their profession in India and abroad. We heartily welcome you to explore a brand new wonderful life and a bright future ahead.
