

E-Bulletin

Jan, Feb, March - 2018

RCPET's Institute of Management Research and Development, Shirpur

Director's Message:

There is no substitute to hard work, you must have heard but hard work accompanied by smart work is the key to excellence in the present world of cut-throat competition. Students generally find themselves in the ocean of confusion and dilemma when it comes to preparing for any exam.

Usually students do not know how to start and what to study. To crack any exam, a smart aspirant must know that the previous year exam papers can give the glimpse of the pattern of exam. Besides this targeted preparation under expert guidance coupled with unmatched study material makes the task much easier.

At IMRD, we strive to provide you the best. We set extremely tough targets for ourselves because we compete with tough targets of impeccable quality, arduous level of honest delivery in classrooms and impeccable study materials. In this endeavor, IMRD brought out extremely sought after books, test series and journals.

Students are today enlightened and focused. They know what they are up to. They need just a ray of guidance. I feel proud to be your mentor and guide.

All the best to all students for final exams.

Dr. Vaishali B. Patil

Director

Editorial Message:

Once more, it is with immense pleasure that I was given an opportunity to work with E-bulletin 2018. As we all know a newsletter mirrors an institute – its vision and mission. It highlights events, activities and academic prowess and achievement. In this edition I have tried to capture last three months activities. I do hope that e-bulletin encourages many more including students to use it as platform to express creativity.

I sincerely hope that this edition will prove to be an interesting read.

Please feel free to offer any suggestions for improvement via rcpebulletin@gmail.com

8 Days Self Defense Training Program

Yuvati Sabha department of IMRD organized 8 days self defense training program from 29th Jan to 6th Feb 2018 for first year girl's students of IMRD. For this training program we had invited Mr. Jaysingh R. Padvi, Karate Coach and Black Belt holder, Nandurbar to give training on Judo and aware girls students about self defense. Director of IMRD Dr. Vaishali Patil gave prologue of this training program and shared importance of self defense for the girl students.

Yuvati Sabha is a platform to guide girl students regarding their health, hygiene, rights and responsibilities, various employment opportunities and personality development.

All parents want their girls to be safe. If a situation occurs where they have no choice but to defend them, we want them to be able to defend themselves successfully. The ultimate goal of self defense training is to teach awareness, safety rules, and confidence that allow girl students to avoid being in a situation where physical defense is necessary. All the girl students and faculty members of Yuvati Sabha were very confident after participating in this program. After the successfully completion of this event all the girl students were rewarded with certificates by director of IMRD Dr. Vaishali Patil. All the UG and PG faculties gave their great support to make this activity successful.

Industrial visit at J.P. Group of Industries, Ankaleshwar

MMS department of IMRD organized industrial visit at J.P. Group of Industries, Ankaleshwar on 9th March 2018. Total 22 students and faculties from MBM 2nd year participated in this event. Industrial visit was arranged for students with an objective of providing functional opportunity in different sectors like IT, manufacturing services, finance and marketing. This industrial visit gave chance to students to learn things practically in a real-time functional environment through interaction, witnessing the working methods and clarifying the doubts from experienced employees. The managing Director of J. P. Industry Mr. Nathubhai Dorik sir welcomes all students and staff. While discussing with students sir gave information about J. P. group of industry. In his speech, sir told about the vision, mission and success of cofounder member of industry Mr. J. K. Patkar, sir talked about the technical processes, Products, technologies used and services provided by J. P. Industries. J.P. Group of Industries, Ankaleshwar was established in 1989 and currently ranked in best top 10 companies in India. During this visit students divided in two groups and visited different departments of industry like marketing, sales, accounts, design, storage, inventory, manufacturing and HR department. Mr. Pranav Dorik and Ms. Pooja Dorik employee of industry gave whole information to students about the different hierarchy and working structure of all above departments. This visit was very helpful for students to gain information regarding functioning of the industry. Also it provides an opportunity for students to plan, organize and engage in active learning experiences both inside and outside of classroom. At the end of the day HOD of MMS department Mr. Manoj Patel felicitated Mr. Nathubhai Dorik sir by presenting a gift and show gratitude for allowing to visit such a big industry.

It was a great experience for students as well for faculties to learn the new stuff and technologies. HOD of MMS Mr. Manoj Patel, Mr. Manoj Patil, Mr. Jaypal Rajput, Mr. D. M. Marathe, and Mrs. Kavita Patil gave their great support to make this event successful.

Industrial Visit at Infosys, Pune

Training and Placement cell of IMRD organized an Industrial visit at Infosys, Pune on 17th March 2018 for UG 2nd year students.

Total 46 students from BCA, BBA, and BBM 2nd year participated in this event. The objective of this visit was to make the students aware about the BPO industry. Students should get knowledge about work culture of IT industry, Infrastructure and campus facilities provided by company.

In the month of Dec 2016 and 2017 the team of Infosys conducted 15 days skill development program for all UG students at IMRD and hence this visit is also a part of student connect program. This industrial visit organized in association with Infosys. Mr. Joseph Monis , Senior Member – Learning & Development Diversity and CSR Office and his team invited our institute for the industrial visit.

During this visit the HR team conducted a two hour session for all the students on various aspects of BPO and career related issues of the students.

While giving a speech Mr. Joseph praised IMRD with a special note on the honest working of the director and the staff members. All the students and faculty members visited different location of Infosys like employee working area, Health Centers, Food Courts etc. The overall infrastructure was just exceptionally beautiful.

This was really nice opportunity given by Infosys to IMRD. The whole event was managed by HOD of UG Mr. Tushar Patel, Training and Placement Officer Mrs. Archana Jade, Mr. Yogesh Sethiya, Mr. Kedar Apte and Mrs. Monali Kirange. All the students enjoyed this outing.

Different games organized by students for students and faculties.

Fun & Fair Day: Our budding Entrepreneurs

A unique concept of celebration with food and games has been a part of the yearly schedule in IMRD. The 'Fun & Fair' is a kind of 'earn & learn' pattern; where the students put their own stalls of Food or Games corner with a view to earn profit. Here, IMRD paves a platform for their budding entrepreneurs to own their business of food stall or games stall and the whole process of making profit out of it. The basic objective behind this activity is to nurture Entrepreneurship skills, confidence among students.

6 weeks Soft skill and workplace communication online course training by Lakshya IITbombay

Training and placement cell of IMRD organized Soft skill and Workplace communication 6 weeks online course training in association with Lakshya IITbombay, Mumbai for MCA 2nd year students from 4th Feb 2018 to 10th March 2018.

IIT Bombay has designed a six-week course on 'Soft Skills and Workplace Communication' under the 'IITBombayX-LAKSHYA programme'. This course is primarily targeted at pre-final and final year students, to help them to prepare for the corporate world, and perform better in the recruitment process. Corporate that recruits the final year students have certain expectations from their prospective employees. If the students/candidates are aware of these expectations, and acquire the skills required to fulfill these expectations, their journey to professional world would become easier. The course was conducted using the blended MOOCs pedagogy developed at IIT Bombay. This approach combines online learning with face-to-face sessions. Course included following contents:

- Resume writing
- Introduction to Soft Skills, Verbal Communication, Participation in Meetings
- Non-Verbal Communication, Body Language
- Listening, Reading, and Writing Skills, Presentation Skills, e-Communication
- Group Discussions, Interviews, and Resume Writing
- Corporate Culture, Professional Conduct, Workplace Ethics
- Global and Cultural Awareness, Gender and Diversity.

Total 22 students from MCA 2nd year participated in this training program. During these 6 weeks students were solved entire assigned task by IIT Bombay and submitted it properly. Also every Saturday there was live interaction session by IIT Bombay faculties with all the participants using Aview software. It was great activity carried out by 'IITBombayX-LAKSHYA programme' through which students can improve their employability skills as well listening, speaking, writing and reading skills. During this 6 weeks HOD of MCA and IMCA Mr. Manoj Behere, Training and Placement Officer Prof. Archana Jade, Prof. Raksha Sushir motivated and guided to students.

MCA Students participated in this activity guided by Prof. Archana Jade.

Seminar on Stenograph using an encrypted secret message for information hiding

MCA department of institute organized Seminar on Stenograph using an encrypted secret message for information hiding. To give MCA students brief overview on stenograph Mr. Swapnil Goje conducted seminar on 05/01/2018. Mr. Goje gave brief idea about steganography. It is data hidden within data. Steganography is an encryption technique that can be used along with cryptography as an extra-secure method in which to protect data. Steganography techniques can be applied to images, a video file or an audio file. Typically, however, steganography is written in characters including hash marking, but its usage within images is also common.

1997年12月，在江蘇省江陰市，一名男子因患“克魯茲菲爾德-雅各病”而去世。其家人在处理后事時，發現該男子的屍體上有多處不明原因的咬痕。經警方調查，該男子生前並無精神異常表現，且其家人亦未發現其有自殺傾向。此事件引發了社會對該病是否具有傳染性的廣泛關注。

克魯茲菲爾德-雅各病是一種罕見的、致死性的神經系統疾病。該病的發病機制尚不完全清楚，但一般認為是由一種稱為“普利昂”的蛋白質引起的。普利昂是一種特殊的蛋白質，能夠誘導其他正常的蛋白質發生變性，從而形成具有致病性的普利昂。這種變性過程可以通過接觸受感染的組織或液體而傳播。

克魯茲菲爾德-雅各病的臨床表現多樣，通常包括進行性痴呆、運動障礙、視覺障礙以及自主神經功能障礙等。該病的潛伏期可長達數十年，一旦發病，進展迅速，通常在數月內死亡。目前，該病尚無有效的治療方法，預防措施主要在於避免接觸受感染的組織或液體。

在江蘇省江陰市發生的這起事件，再次提醒我們，對於罕見疾病的認識和預防至關重要。公眾應加強對疾病的了解，並注意個人衛生，以減少感染風險。同時，醫療機構也應加強對罕見疾病的診斷和治療研究，為患者提供更好的醫療服務。
