NSS Volunteers' Contribution to Polling Stations

The National Service Scheme (NSS) volunteers play a pivotal role in ensuring the smooth functioning of the democratic process during elections. In loksabha election 4th phase at Dhule and Nandurbar district, their contribution to senior citizens and handicap voters, especially in rural areas, to reach polling stations has been notable. The valuable helping provided by NSS volunteers in facilitating the participation of voters, particularly the disabled, in the electoral process.

One of the most commendable aspects of NSS volunteers' efforts is their helping to disabled voters. Volunteers extend personalized support, including wheelchair assistance and guided navigation, to ensure that disabled individuals can exercise their voting rights independently and with dignity. Volunteers undergo training sessions to equip themselves with the necessary skills and sensitivity required to cater to the diverse needs of disabled citizens.

This event was successfully organized under the guidance of the Director of the institute Dr. Vaishali B. Patil, Mr. Manoj N. Behere, HOD of MCA & I-MCA Department, Dr. Manoj B. Patel, IQAC coordinator, and Dr. Tushar R. Patel, HOD of UG Department. Dr. Yogesh C. Shetiya, NSS program officer, and NSS committee members also played pivotal roles in organizing the event.
