IMRD E-Bulletin June – August 2025

An Official Newsletter of IMRD

Academic Year 2025–26 | Volume 11 | Edition No. 44

Prof. Dr. Vaishali B. Patil

**Director,
RCPET's Institute of Management
Research and Development, Shirpur**

Dear Students, Faculty Members, Alumni, and Readers,

Greetings from RCPET's Institute of Management Research and Development, Shirpur!

It gives me great pleasure to present the highlights of the months of June to August 2025—a period filled with new beginnings, dynamic activities, and promising achievements. As the new academic year commenced, our campus once again came alive with the energy, aspirations, and enthusiasm of our students.

The induction programs for MCA, MCA (Integrated), BCA, BBA, and BMS welcomed fresh minds into the IMRD family. These sessions not only introduced students to the academic culture of our institute but also inspired them to embark on a journey of holistic growth, teamwork, and innovation.

During this quarter, our faculty and students actively engaged in academic, co-curricular, and extracurricular pursuits. From diagnostic tests, skill enhancement sessions, and certificate courses to vibrant cultural events and student club presentations, each activity reflected our emphasis on comprehensive development.

Our placement and career guidance activities also gained momentum this quarter, preparing students with essential employability and life skills. I extend heartfelt gratitude to our alumni and industry partners for their continued support in providing career opportunities and mentorship to our learners.

As we look ahead, I encourage our students to remain curious, disciplined, and proactive in exploring new possibilities. Let us together continue to uphold the values of IMRD—integrity, excellence, and innovation—while building a brighter future.

Thank you for being an integral part of our journey.

Mr. Dinesh A. Borase

Assistant Professor,
RCPET's Institute of Management
Research and Development, Shirpur

Dear Readers,

We are delighted to present the June to August 2025 edition of the IMRD E-Bulletin, a reflection of the energy, dedication, and achievements that continue to define our institute. This quarter has been truly remarkable, marked by academic excellence, innovative initiatives, and the holistic development of our students.

From participation in national and international conferences to impactful research contributions, from cultural and community-driven activities to significant placements, our students, alumni, and faculty members have added yet another chapter of pride to the IMRD legacy. This edition also highlights various training programs, workshops, and value-added activities that enriched the academic and professional journey of our learners. Through the E-Bulletin, we aim to keep alive the spirit of sharing, connecting, and inspiring. We hope this issue captures the vibrant atmosphere of IMRD and motivates every reader to strive for greater heights.

Happy Reading!

Alumni Speaks

Our alumni are huge assets for the institute and hold significant positions in various national and international reputed organizations in India and overseas. They are a continuous source of inspiration for our students. Our alumni have brought great glory to our institution. Our present students will proudly follow their examples in the years to come and for this we are trying to write about the experiences of our alumni in a column “Alumni Speaks” in every issue of the e-bulletin.

1. **Name of Alumni** : Mahendra Rajaram Patil
2. **Qualification** : MCA
3. **Year of Passing** : 2004
4. **Company Name & Location** : Barclays Global Service Company
5. **Designation** : Assistant Vice President (Tech Lead & Solution Architect)
6. **Memories from IMRD** : I feel lucky that I got a chance to be part of IMRD family. Still, I remember those days starting from Induction program, various competition participations, extra practical hours/classes, night group study in college, and a lot. I can talk about this for hours. I always got a positive vibe in college. We got lot of opportunities to explore and learn. Dr. Vaishali Patil Madam always supported us, going beyond the lines. I remember those technical discussions with Dr. Manoj Behere Sir, and all our respected faculty members.

7. Journey after IMRD (Starting Job and progress up to current position):

Organization	Duration	Position
SpiderLogic India Pvt. Ltd. Pune India.	March 2006 to Sept 2007	Consultant
Aditi Technologies Pvt. Ltd. Bangalore India.	Sept 2007 to Nov 2009	Senior Developer
Symphony Service Pvt. Ltd. Pune India.	Nov 2009 to July 2011	Senior Developer
Tata Consultancy Services Pvt. Ltd. Pune India.	July 2011 to Aug 2012	IT Analyst
Barclays Global Service Centre Pvt. Ltd. Pune India.	Aug 2012 to till date	Assistant Vice President (Tech Lead & Solution Architect)

8. Message for current students of IMRD: Believe me you are at perfect place, try to get as much as you can. I am sure IMRD management will support you always. Be smart and consistent, you will see the difference in long term. Make your fundamentals clear now; this will help you a lot in future. All the best to all of you!!

9. Message for IMRD Faculty Member :- We can easily see you all are putting in tremendous and valuable efforts to make our college best place in all aspects. Whatever you are doing that sets the expectations high for students also. Thank You all!!

10. Anything else you would like to share: - My journey to college was not only a path towards higher education but also a transformative experience that shaped my character, ambitions, and aspirations.

Overcoming challenges such as financial constraints and academic pressure taught me resilience and determination. The college application process allowed me to reflect on my goals and present myself authentically to admissions committees. With each acceptance letter received, I felt a sense of triumph and validation. As I embarked on the next chapter of my life in college, I embraced new opportunities for growth, intellectual exploration, and community engagement.

- 1. Name of Recruiter** : Mr. Nikunj Kumar Kakadiya
- 2. Company Name & Location** : Deskcode Solution Pvt. Ltd., Surat (Gujarath)
- 3. Designation** : Managing Director
- 4. Testimonial** : We are delighted to share our warm appreciation for RCPET's IMRD, Shirpur, and the wonderful experience we had during the last campus drive. From the moment we arrived, we were warmly welcomed by the faculty and staff, and we truly felt the positive and professional environment of the institute. The students demonstrated remarkable discipline, enthusiasm, and a strong academic culture throughout the process. Their preparedness, communication skills, and eagerness to learn were highly commendable. We are proud to share that we have hired five candidates from this campus drive. They have now become an integral part of our organization and are performing with dedication, hard work, and a consistently positive attitude. Their contribution reflects the excellent grooming and guidance provided by the institute. We sincerely thank the management, faculty, and placement cell for their support and cooperation. We look forward to continued collaboration and more successful campus drives in the future.

5. Industry Trends Insight : Our organization is actively engaged in developing solutions using MEAN (MongoDB, Express.js, Angular, Node.js) and MERN (MongoDB, Express.js, React.js, Node.js) stacks. In addition, Python (Django) is increasingly in demand for backend development, and AI/ML- related technologies are shaping the future of IT with applications in automation, data analytics, and intelligent systems. In the IT industry today, employers are looking for:

- Strong basics in JavaScript, Python, OOPs, and Data Structures & Algorithms (DSA).
- Familiarity with modern frameworks, AI/ML tools, and cloud technologies.
- Adaptability, teamwork, and a positive approach to challenges.

Technical skills combined with a learning attitude and adaptability is the most valued qualities in potential hires.

6. Career Advice for Students: To succeed in today's competitive job market, students should:

- Build strong fundamentals in programming, problem-solving, and OOP concepts.
- Gain practical exposure by working on projects, internships, and coding challenges.
- Improve communication skills to clearly present ideas and solutions.
- Approach interviews with a positive mind set and willingness to learn.

Remember: A combination of technical knowledge and the right attitude creates long-term success.

Best Regards,

Mr. Nikunj Kumar Kakadiya

(Submitted on 3 September, 2025)

At R. C. Patel Educational Trust's Institute of Management Research and Development, we deeply value the perspectives of industry leaders who play a vital role in shaping the career paths of our students. The "Recruiter Insight" column provides a platform for our esteemed recruiters to share their valuable thoughts, expectations, and industry trends. Their expertise serves as a guiding force, enabling our students to stay aligned with the dynamic professional landscape. This initiative strengthens the bond between academia and industry while inspiring our students to pursue excellence in their careers.

We are delighted to feature insights from Deskcode Solution Pvt. Ltd., a reputed organization in the IT services and software solutions sector, and one of our trusted recruitment partners. Known for their commitment to innovation, technology-driven solutions, and nurturing young talent, Deskcode Solution Pvt. Ltd. has consistently provided our students with rewarding career opportunities in software development, IT services, and emerging digital technologies. Their emphasis on skill enhancement, training, and professional growth resonates with our vision of equipping students with industry-ready competencies.

We extend our sincere gratitude to Deskcode Solution Pvt. Ltd. for their continued support and collaboration. We look forward to further strengthening this valuable partnership and creating more avenues for student success in the years ahead.

THANK YOU!

International Yoga Day Celebration for Students

- **Name of the Event** : International Yoga Day Celebration
- **Date of Event** : 21st June 2025
- **Conducted by** : National Service Scheme
- **Venue** : Institute Ground

On 21st June 2025, R. C. Patel Educational Trust's Institute of Management Research and Development, Shirpur celebrated 11th International Yoga Day. Yoga in daily life is a system of practice consisting of eight levels of development in the areas of physical, mental, social and spiritual health. When the body is physically healthy, the mind is clear, focused and stress is under control. The main goals of yoga in daily life are physical Health, Mental Health, Social Health, Spiritual Health, Self-Realization or realization of the divine within us.

NSS Unit of Institute & Sports Committee had jointly organized 'International Yoga Day' on June 21, 2025 to bring awareness about health benefits of Yoga. Celebration started at 06:00 am, students enthusiastically took part in the Mass Yoga Demonstration. Yoga Instructor Mr. Subhash Pawara & yoga teacher Ms. Monika Pawara demonstrated different Asana of Yoga and also advised all participants to practice Yoga for Good Health also explained the importance of Yoga for healthy life. Before starting yoga, all participants did Omkar & Prayer. Then followed by some Asanas like Tadasan, Vrukshasana, Trikonasana, Shashankasana, Naukasana, Bhujangasana, Shalabhasana, Pawanmuktasana etc. finally concluded with the prayer of shantipath.

Overall, International Yoga Day celebration was a grand success. Students participated in International Yoga Day including NSS Volunteer. This day was successfully organized by NSS Unit and Sports department of Institute under the guidance of Dr. Vaishali B. Patil, Director, RCPETs IMRD, Shirpur. To make this event successful Physical Director Ms. Pooja Jain, NSS program officer Dr. Yogesh Shethiya, NSS Unit members and volunteers took efforts.

**Celebrating International Yoga Day with mindfulness and movement.
Volunteers were performing Yoga**

**One volunteer. One breath. One mission.
NSS celebrates the power of inner peace.**

Staff members performing "Vrikshasana"

Street Play on Sickle Cell Anemia Awareness

- **Name of the Event** : Street Play on Sickle Cell Anemia Awareness
- **Date of Event** : 24th June 2025
- **Conducted by** : National Service Scheme
- **Venue** : R. C. Patel Ashram School, Waghadi.

On 24th June 2025, the NSS Unit of R. C. Patel Educational Trust's Institute of Management Research and Development (IMRD), Shirpur, in collaboration with Astitva Social Welfare Foundation, Shirpur, organized a special awareness program at R. C. Patel Ashram School, Waghadi on the occasion of World Sickle Cell Elimination Day. This initiative was inspired and guided by Mrs. Dweta Bhupeshbhai Patel, Director of Astitva Foundation. The aim of the program was to educate school students about the causes, symptoms, prevention, and care of Sickle Cell Anemia, a genetic disease that affects many in tribal and rural areas. As part of the awareness campaign, a street play was performed by students from IMRD. The play was coordinated by Ms. Sonia Bhasin, with support from Mr. Yogeshwar Mali and Mr. Nikhil Jadhav. NSS youth volunteers also actively participated in the performance. The team was trained and guided by Mr. Pravin Mali, a well-known Ahirani mono-actor and theatre artist, who helped present the message in a creative and meaningful way.

The program saw the active participation of more than 150 school students along with their teachers and staff. The play was performed in a local and simple language, making it easy for the audience to understand the seriousness of the disease and how it can be prevented and managed.

This program was successfully organized under the guidance of Dr. Vaishali B. Patil, Director of IMRD Shirpur. The efforts of NSS Program Officer Dr. Yogesh Shethiya, Assistant Program Officer Mr. Vijay Garge, and Lady Program Officer Miss Dipali Nyalade Mrs. Jyotsana Mali, Mrs. Jyoti Gorane and Miss Vaishnavi Suryavanshi NSS Unit members were key to the success of this awareness campaign.

Artificial Intelligence with Python Training for MCA and MCA (Integrated)

- **Name of the Event** : Artificial Intelligence with Python Training
- **Date of Event** : 15th to 31st July 2025
- **Conducted by** : Training and Placement Cell
- **Venue** : Auditorium Hall

The Training and Placement Cell of RCPET's IMRD successfully organized a 15 days training program on "AI with Python" for MCA and MCA (Integrated) 5th Year students from 15th to 31st July 2025, in association with the CSR training partner, Friends Union for Energising Lives (FUEL), Pune. The resource person for this session was Mr. Aniket Bhosale, who delivered comprehensive training on Artificial Intelligence using Python. On the inaugural day, Mr. Aniket Bhosale provided an overview of the complete training schedule, setting the foundation for the topics ahead. The training covered a wide spectrum starting from basic installations to advanced concepts in Python programming, Artificial Intelligence, Data Science, Machine Learning, and Deep Learning.

Total 155 students actively participated in the training. In addition to the hands-on learning experience, all students received free LinkedIn Learning subscriptions, enabling them to enhance their technical skills and complete various certification courses at no cost.

The training program conducted successfully through the dedicated efforts of Dr. Manoj Behere, Assistant Director and Head of MCA & MCA (Integrated) Department, Mrs. Archana Jade (TPO), Mrs. Sapana Yeshi (Assistant TPO), faculty members, and the Training and Placement Committee, including Dr. Amit Patil, Mrs. Rohini Patil, Mr. Rahul Badgujar, Ms. Harshada Chaudhari, and

Mrs. Dhanashri Patil. Special appreciation is also extended to the non-teaching staff for their continuous support and coordination throughout the event.

Students participated in AI with Python training alongside the resource person and the faculty members

Artificial Intelligence with Python Training for Final Year BCA

- **Name of the Event** : Artificial Intelligence with Python Training
- **Date of Event** : 15th to 31st July 2025
- **Conducted by** : Training and Placement Cell
- **Venue** : Auditorium Hall

The Training and Placement Cell of RCPET's IMRD organized a 15 days training program on "AI with Python" for final year BCA students from 15th to 31st July 2025. This training was conducted in collaboration with Friends Union for Energising Lives (FUEL), Pune, under their CSR initiative. The sessions were conducted by Mr. Chetan Kumar Shirokha, an expert trainer, who guided students through both the basics and advanced concepts of Artificial Intelligence using Python. On the first day, he explained the entire course plan and what students would learn during the training. Topics covered included Python programming, Data Science, Machine Learning, Deep Learning, and AI tools and techniques. The sessions were interactive and included hands-on practice, which helped students understand the concepts better.

A total of 180 BCA students actively participated in this training. All participants were also given free LinkedIn Learning subscriptions, allowing them to complete professional certification courses and improve their technical skills. The main goal of this training was to help students learn about the latest technologies in Artificial Intelligence and prepare them for future career opportunities in the tech industry. This successful event was made possible through the efforts of Dr. Tushar Patel (Head of UG Department), Mrs. Archana Jade (Training and Placement Officer), and Mrs. Sapana Yeshi (Assistant TPO). Special thanks to the faculty members Mr. Mahesh K. Bhavsar, Mrs. Priyanka S. Saindane, and Mrs. Vijeta B. Songire, as well as the non-teaching staff for their continuous support and coordination.

Alumni Insight: Java Full Stack Development

- **Name of the Event** : Alumni Insight: Java Full Stack Development
- **Date of Event** : 19th July 2025
- **Conducted by** : Training and Placement Cell
- **Venue** : Auditorium Hall

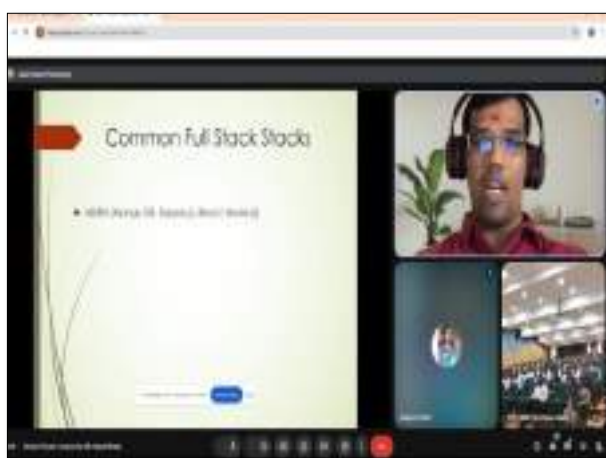

The Training and Placement Cell of RCPET's IMRD, Shirpur organized an enriching guest lecture of alumni on the topic "Alumni Insight Java Full Stack Development". Mr. Saket Bhala, Winjit Technology, Java Full Stack Developer an alumnus of the MCA Batch 2019–2020, connected with the students virtually to share his valuable industry insights and experiences as a Java Full Stack Developer on 19th July 2025.

During the session, he elaborated on key components of full stack development, including front-end technologies, back-end frameworks, and essential tools commonly used in the industry. He also discussed the significance and practical application of agile methodology in software development. Furthermore, Mr. Saket Bhala provided meaningful guidance on resume building, and highlighted the importance of communication skills for professional success. He concluded the session by expressing his heartfelt gratitude towards his alma mater, acknowledging the role it played in shaping his career.

The session proved to be highly beneficial and informative for the students, offering them a real-world perspective on the skills and mind-set required to excel in the IT industry.

This event's success was made possible through the dedicated efforts of Dr. Manoj Behere, Assistant Director and Head of MCA & MCA (Integrated) Department, Mrs. Archana Jade TPO), Mrs. Sapana Yeshi (Assistant TPO), faculty members, and the Training and Placement

Committee, including Dr. Amit Patil, Mrs. Rohini Patil, Mr. Rahul Badgujar, Ms. Harshada Chaudhari, and Mrs. Dhanashri Patil. Special appreciation is also extended to the non-teaching staff for their continuous support and coordination throughout the event.

Mr. Saket Bhala connected virtually for session on Java Full stack development

Senior and junior meetup via a virtual alumni guest lecture

Blood Donation Camp

- **Name of the Event** : Blood Donation Camp
- **Date of Event** : 22nd July 2025
- **Conducted by** : National Service Scheme
- **Venue** : R. C. Patel College of Pharmacy

On the auspicious occasion of the 55th birthday of Hon. Chief Minister of Maharashtra, Shri Devendra Fadnavis, celebrated on 22nd July 2025, a Mega Blood Donation Camp was organized at R. C. Patel College of Pharmacy, Shirpur. The event was jointly conducted by Shirpur Education Society, R. C. Patel Educational Trust, Astitva Foundation, and Mukesh Patel Charitable Trust, Shirpur. Marking this significant day, 90 students, faculty members, and non-teaching staff from the R. C. Patel IMRD campus actively participated in the blood donation drive, reflecting overwhelming enthusiasm and commitment to social responsibility.

The camp was organized under the special guidance and support of the National Service Scheme Unit and the Student Development Department of the institute. Each blood donor was honored with a certificate of appreciation by the Indian Red Cross Society Blood Center, Jalgaon. In addition, haemoglobin levels and blood groups of all donors were also checked during the camp. Blood donation is considered the greatest act of humanity, often described as donating life itself. The camp was inaugurated by Shri Rajgopal Bhandari, Hon. Secretary of the RCPET campus. Esteemed dignitaries present at the event included: Ms. Soniya Bhasin, Coordinator, Astitva Foundation, Dr. Sanjay Surana, Principal, R. C. Patel College of Pharmacy, Dr. Vaishali Patil, Director, R. C. Patel IMRD, Dr. Nitin Haswani, Principal, R. C. Patel Institute of Pharmacy.

The entire program was successfully conducted under the able leadership and guidance of Dr. Vaishali Patil, Director, R. C. Patel IMRD. Significant contributions were made by: Prof. Manoj Behere, Head, MCA & IMCA, Dr. Manoj Patel, IQAC Coordinator, Dr. Tushar Patel, Head, BBA, BCA, BMS Departments Additionally, vital support was extended by: Dr. Yogesh Shethiya, NSS Program Officer, Dr. Manoj Sonawane, Head, Student Development Department Ms. Pooja Jain, Sports Director Mr. Sumit Sagale, Registrar IMRD, NSS student volunteers. The success of this noble event was made possible through the combined efforts of staff, volunteers, and students, under the dedicated mentorship of Dr. Vaishali Patil.

Inauguration of Mega Blood Donation Camp by Hon. Shri Rajgopal Bhandari

Appreciation of blood donating staff and students by Director Dr. Vaishali Patil

Tribute of Lokmanya Tilak's Birth Anniversary

- **Name of the Event** : Tribute of Lokmanya Tilak's Birth Anniversary
- **Date of Event** : 23rd July 2025
- **Conducted by** : National Service Scheme
- **Venue** : Activity Hall

On July 23, 2025, the NSS unit of RCPET's Institute of Management Research and Development, Shirpur, organized a program to celebrate the birth anniversary of Lokmanya Tilak. The event took place at the New Activity Hall at 11:00 AM and it was attended by 98 students and 56 NSS volunteers.

The program began with a welcome speech, setting the tone for the day's activities. The Respected Director, Dr. Vaishali B. Patil, offered a tribute by garlanding the portrait of Lokmanya Tilak and then inaugurated the program with her insightful guidance speech. Madam also emphasized the importance of being socially responsible citizens and contributing to the development of society. Then speech was delivered by students, who highlighted Lokmanya Tilak's significant contributions to India's freedom struggle and his visionary outlook for the nation. The speaker emphasized Tilak's role in fostering nationalism, his efforts in promoting education, and his advocacy for social reforms.

This Program was successfully organized under the guidance of Dr. Vaishali B. Patil, Director of RCPET's IMRD, Head of MCA & MCA (Integrated) Department Mr. Manoj Behere, IQAC Co-Ordinator Dr. Manoj Patel, UG Department Head Dr. Tushar Patel. The efforts of NSS Program Officer Dr. Yogesh Shethiya, Assistant Program Officer Mr. Vijay Garge and lady Program Officer Ms. Dipali Nhalde and all NSS Unit Members were key to the success of this program.

Director Dr. Vaishali Patil paying tribute by garlanding the portraits of Lokmanya Tilak

Pre-requisites for Placement

- **Name of the Event** : Pre-requisites for Placement
- **Date of Event** : 24th July 2025
- **Conducted by** : Training and Placement Committee
- **Venue** : Auditorium Hall

A session on Prerequisites for Placement was conducted for TYBCA students. The session was delivered by Mrs. Sapana S. Yeschi, Assistant Training & Placement Officer, who guided the students on the skills and qualities required to succeed in campus placement drives and future professional journeys. The session began with an introduction to the importance of being placement-ready in today's competitive job market. Mrs. Sapana S. Yeschi explained that while technical knowledge is essential, it is equally important for students to possess the right set of soft skills and professional attributes to stand out during recruitment processes.

Students were oriented on key topics such as:

- Importance of communication and soft skills
- Resume writing and presentation tips
- Interview etiquette and confidence building
- Problem-solving and teamwork readiness
- Professionalism and workplace behaviour

The session was highly interactive, enriched with real-life examples, practical insights, and situational discussions that made students actively engage in the learning process. Activities and open discussions encouraged participants to reflect on their strengths and areas of improvement. Students also clarified doubts regarding the placement process, resume formats, and interview challenges. The program received overwhelmingly positive feedback from the students. They expressed that the session helped them understand not only what to prepare but also how to prepare for their upcoming placement opportunities. Many students shared that the session boosted their confidence, motivation, and career readiness, giving them a clearer direction for the future.

interacting during the session**

Alumni Interaction Session

- **Name of the Event** : Alumni Interaction Session
- **Date of Event** : 26th July 2025
- **Conducted by** : Training and Placement Committee
- **Venue** : Activity Hall

The Training and Placement Committee of RCPET's IMRD- UG organized an Alumni Interaction Session featuring Mr. Rohit Borse, a prominent alumnus of the BCA program and currently working with as Associate Analytics in AI & Engineering domain.

Mr. Rohit Borse shared his views and experience on latest trend in technology which now considered significantly in many IT companies. He highlighted the transition from technologies in IT world through generative AI to AI software engineering in his discussion. He also discussed the institute contribution, underscoring the importance of continuous learning and adaptability for his success. Key topics covered included:

- Latest Technology Trends includes Generative AI, Agentic AI, Cloud Computing, and AI Software Engineering.
- Technical and soft Skills sought by multinational corporations.
- Strategies for effective career planning and progression.
- Expectation of IT companies at fresher's level.

The Alumni Interaction Session with Mr. Rohit Borse proved to be a highly enriching experience, delving into crucial topics that shape modern career landscapes. The session included a question-and-answer round where students asked their doubts. He emphasized the growing importance of a balanced skill set, where technical competencies such as programming, data analysis, and cloud infrastructure must be complemented by soft skills like communication, adaptability, and teamwork qualities highly valued by multinational corporations. Addressing the expectations of IT companies at the fresher level, Mr. Borse outlined the need for foundational technical knowledge, a problem-solving mindset, and a proactive attitude. He also offered practical strategies for career planning and progression, encouraging students to set clear goals, continuously upskill, and remain adaptable in a fast-changing job market. The session successfully bridged the gap between academic learning and real-world professional demands, and the TPO Committee sincerely thanks Mr. Borse for his time, insights, interaction with students.

Mr. Rohit Borse, engaging students during the insightful Alumni Interaction Session

Workshop on Stress Management

- **Name of the Event** : Workshop on Stress Management
- **Date of Event** : 31st July 2025
- **Conducted by** : Staff Welfare Committee
- **Venue** : Activity Hall

The Staff Welfare Committee of the institute organized a “Workshop on Stress Management” for faculty members on 31st July 2025. The primary objective of this initiative was to raise awareness about the adverse effects of stress and to prepare faculty with effective techniques to manage stress in both their professional and personal life.

The program was conducted in the presence of Hon. Director Dr. Vaishali Patil, Asst. Director Dr. Manoj Behere, IQAC Coordinator Dr. Manoj Patel, and UG HOD Dr. Tushar Patel.

The session was conducted by Dr. Manoj B. Patel, who has extensive experience in the areas of stress management, mindfulness, and emotional wellness. Drawing from his rich background in both academic and creative environments, Dr. Patel delivered an engaging and inspiring session.

The workshop covered various topics like understanding Stress, Identifying Stress Triggers, Stress Management Techniques, and Interactive Activities. Stress management using laughter therapy using in session a comedy video was also shown which was too much enjoyed by the staff. Also local insightful funny videos become help to release stress from the environment. The high turnout reflected the honest interest in mental health and stress reduction practices.

The stress management workshop was a valuable initiative by the Staff Welfare Committee to support the mental well-being of faculty members. By providing practical tools and fostering open communication about stress, the workshop contributed to creating a healthier and more supportive work environment. Continued efforts in this direction are recommended to maintain and enhance faculty wellness.

The successful execution of this workshop was made possible through the efforts of Staff Welfare Committee Coordinator Mr. Sufiyan M. Bagwam, the, along with Committee Members Mr.Sachin Surana, Ms. Dipali Nhalde and Mrs. Jyostna Mali, Ms. Mrunal Bidkar, Mrs. Kirtika Behere.

Dr. Manoj B. Patel conducting an engaging and informative session

All staff members enjoying funny video

Three Day's Guidance Workshop on Field Project

- **Name of the Event** : Three Day's Guidance Workshop on Field Project
- **Date of Event** : 31st July to 2nd August 2025
- **Conducted by** : UG Department
- **Venue** : Seminar Hall

Three Day's Guidance Workshop on Field Project was organized for second-year Bachelor of Business Administration (SYBBA) and Bachelor of Management Studies (SYBMS) students to assist them in understanding and executing their field projects effectively. The workshop aimed to provide step-by-step guidance covering all crucial stages of the project from topic selection to final submission.

Day 1 (31 July 2025):

The workshop commenced with an introductory session by Dr. Amarsingh Gour and Dr. Yogesh Shethiya. They discussed the importance of the field project in the academic curriculum, explained university guidelines, submission deadlines and evaluation criteria.

The second session was conducted by Mr. Kaushtubha Sawant and Mr. Milind Patil, who helped students understand how to select suitable project topics and organizations. They stressed the importance of relevance, resource availability and alignment with students' interests.

Day 2 (1 August 2025):

Mr. Sufiyan Bagwan and Mrs. Ashwini Sonawane delivered an insightful session on research methodology. The discussion covered types of research, data collection methods (primary and secondary), sampling techniques and ethical issues in research.

The second session involved practical examples of data analysis and interpretation by Mr. Sachin Surana and Mr. Vijay Garge. Students were introduced to basic statistical tools and methods to interpret data meaningfully.

Day 3 (2 August 2025):

Dr. Priyanka Bhandari and Mrs. Jyoti Goranelohar explained how to write the conclusion section, summarize findings and provide suggestions based on research outcomes. Emphasis was placed on clarity and logical flow.

The final session was interactive, where Dr. Laxmikant Sharma and Dr. Rupali Agrawal collected student feedback and answered queries related to all previous sessions and field project execution.

The workshop got good feedback from students. They liked the clear, step-by-step project guidance. The Q&A session was very helpful and cleared up many doubts. Overall, students felt the workshop

helped them get ready for their field project.

The Three Day's Guidance Workshop successfully fulfilled its objective of equipping students with the necessary knowledge and skills for their field projects. The collaboration of experienced resource persons and enthusiastic student participation ensured effective learning. The coordinators thank all resource persons and students for their involvement.

The workshop was coordinated by Dr. Amarsingh Gour, Dr. Yogesh Shethiya, and Dr. Laxmikant Sharma. Their efforts played a key role in the smooth planning and successful execution of the event.

In Session I, Dr. Yogesh Shetiya and Dr. Amar Gaur delivered a lecture on the introduction to fieldwork and its guidelines

In Session IV, Mr. Sachin Surana and Mr. Vijay Garge delivered a lecture on Data Analysis and Interpretation

In Session V, Dr. Priyanka Bhandari and Mrs. Jyoti Gorane delivered a lecture on Conclusion, Findings, and Suggestions

Tree Plantation & Trekking

- **Name of the Event** : Tree Plantation & Trekking
- **Date of Event** : 3rd August 2025
- **Conducted by** : National Service Scheme
- **Venue** : Near Karvand Village, Mahadev Temple

On the occasion of Friendship Day, the NSS Unit and Health Club of the Institute organized a Tree Plantation Drive & Trekking on Sunday, 03rd August 2025, from 6:00 AM to 11:30 AM at Near Karvand Village, Mahadev Temple. This dual-purpose event aimed to promote both green initiatives and physical fitness, encouraging participants to connect with nature and contribute to a greener future. The event was held under the theme “Ek Ped Maa Ke Naam”, symbolizing the importance of trees and the emotional connection we share with nature, particularly mothers who nurture and protect life.

Participants embarked on a well-planned trek through the natural terrain surrounding Karvand Village, Mahadev Temple. The route was selected to be both enjoyable and moderately challenging, promoting: Physical health and endurance, Teamwork and group spirit and Awareness about the need to conserve natural landscapes. The trek served as a refreshing and energizing experience, fostering a deeper appreciation for the environment among students and staff.

Following the trek, participants enthusiastically took part in planting 70 saplings around the Karvand Temple area. The tree species planted included: Neem, Bhokar, Bell & Mahu. The plantation were carefully planted and positioned to ensure optimal growth and long-term survival.

Contributing to the beautification and greening of the local area, and instilling a culture of sustainability among students.

The event was successfully organized under the guidance of Dr. Vaishali B. Patil, Director, RCPET's IMRD, Shirpur. The NSS Unit, along with staff members and dedicated volunteers, played a pivotal role in planning and executing this event with great enthusiasm and care. The tree plantation drive at Karvand Temple stands as a testament to the Institute's unwavering commitment to environmental conservation and holistic development. It reflects the collective responsibility of the Institute towards creating a greener and healthier planet.

"Ek Rakhi Jawanansathi"

- **Name of the Event** : "Ek Rakhi Jawanansathi"
- **Date of Event** : 6th August 2025
- **Conducted by** : National Service Scheme
- **Venue** : R. C. Patel IMRD Ground

The students from Shirpur Education Society and R.C. Patel Educational Trust, along with their affiliated schools and colleges, actively participated in the social campaign titled "*Shirdi to Srinagar – Ek Rakhi Jawanansathi*", organized by Sanjeevani Yuva Pratishthan, Kopargaon. This initiative, carried out on the sacred occasion of Raksha Bandhan, aimed to send patriotic rakhi threads and heartfelt messages to the brave soldiers guarding the borders of the nation. Enthusiastic response by students of Shirpur Education Society and R.C. Patel Educational Trust to the "Ek Rakhi Jawanansathi" social initiative supported by NSS Unit, RCPET's IMRD Unit to foster a sense of pride and social responsibility among the youth towards the nation and its defenders.

The primary goal of this campaign was to express social support and love towards the soldiers, honor their courage and dedication, and provide them with moral and emotional encouragement through messages and rakhi threads sent by the students. By doing so, the campaign aimed to foster a sense of pride and social responsibility among the youth towards the nation and its defenders.

Participation and Contribution:

The initiative was formally inaugurated by Mr. Vivekbhaiya Bipindada Kolhe, the founder of Sanjeevani Yuva Pratishthan, setting the tone for a meaningful and heart-touching campaign. Students from Shirpur Education Society and R.C. Patel Educational Trust, along with various associated schools and colleges, enthusiastically contributed by preparing and sending rakhi threads along with sincere messages for the soldiers. This active participation encapsulated a vivid demonstration of patriotism and social commitment by the young generation.

Key Dignitaries and Participants:

The event garnered the presence and support of notable institute representatives and volunteers, including:

- Shri. Rajgopalji Bhandari (Secretary, R.C. Patel Educational Trust)
- Smt. Reshadidi Patel (Secretary, Shirpur Education Society)
- Shri. Atulbhau Bhandari (Director, Shirpur Education Society)
- Dr. Umeshji Sharma (CEO, Shirpur Education Society)
- Dr. Vaishali Patil (Director, IMRD)
- Prof. Atul Shirakhedkar (Vice Principal, R.C. Patel Institute of Pharmaceutical Education and Research, Shirpur)
- Mrs. Smita Panchbhai (Principal, M.R. Patel English Medium School)
- Volunteers of the Sanjeevani Yuva Pratishthan, Kopargaon : Shri Mayur Cholake, Shri Vishal Gorde, Shri Bharat Patil, Shri Yogesh Badal, Shri Virpal Rajput, Prem Patil.
- Students of the institutes, colleges and schools.

Additionally, several faculty members from R.C. Patel Institute of Pharmaceutical Education and Research, Mukeshbhai Patel English Medium school were also present to endorse the initiative.

Welcoming Ceremony:

The student body of M. R. Patel Military School conducted a ceremonial procession that marked the formal welcome of the initiative, lending a patriotic and disciplined atmosphere to the occasion.

Program Highlights:

Best wishes on behalf of Shirpur Education Society and R.C. Patel Educational Trust as being Shri. Rajgopalji Bhandari, worshipped the Rakhi Rath (Chariot) and also tied Rakhi on the hand of the symbolic image of the chariot.

The campaign involved sending rakhi threads and emotional messages from students to the courageous soldiers protecting the borders, symbolizing the bond of protection and respect on the occasion of Raksha Bandhan.

- Mr. Kiran Thakre highlighted the importance and necessity of this initiative on behalf of Sanjeevani Yuva Pratishthan, emphasizing the social and emotional support soldiers receive through such acts.
- Shri. Rajgopalji Bhandari expressed heartfelt love for the soldiers and extended a message of social honor and respect towards them.
- Young students, Ms. Kalyani Borse and Ms. Aditi Shinde from R.C. Patel Institute of Pharmaceutical Education and Research, voiced their social commitment to the soldiers, spreading positive values in society.
- Dr. Yogesh Shethiya NSS Unit Program Officer, Dr. Manoj Behere (Asst. Director and HoD, MCA – IMCA Dept.), Dr. Manoj Patel (IQAC Co-ordinator), Dr. Tushar Patel (HoD, UG Dept.), Mr. Sumit Sagale (Registrar) and Mr. Kaustubha Sawant of R.C. Patel IMRD contributed their cooperation in the successful organization of the event.
- The event was expertly coordinated and anchored by Prof. Vijay Garge.

Impact and Significance:

This initiative has served as a powerful catalyst for instilling patriotic values among the youth and strengthening the social commitment towards the soldiers. It reinforced community responsibility and fostered emotional bonding between students and the nation's defenders. The campaign successfully bridged the distance between civilians and soldiers by allowing young students to express gratitude and moral support, making the soldiers feel remembered and cherished. It also nurtured a sense of unity and collective identity, reminding the younger generation of their duty towards national pride. Additionally, it inspired students to appreciate sacrifice, courage, and discipline as values worth emulating in their own lives. The interactions and activities created lasting impressions, broadening the students' perspective on service and dedication. It not only uplifted soldiers' morale but also motivated the students to actively contribute to the well-being of society. Ultimately, the initiative became a shared journey of respect, gratitude, and national solidarity.

A ceremonial procession that marked the formal welcome of the initiative

The campaign involved more than 250 girls sending rakhi threads and emotional messages

Shri. Rajgopalji Bhandari and Dr. Vaishali Patil, Director, IMRD handed over the box of Rakhi Treads to the Sanjeevani Yuva Pratishthan

Active participation a demonstration of patriotism and social commitment by the youngsters

Session on “Research Journey”

- **Name of the Event** : Session on “Research Journey”
- **Date of Event** : 08th August 2025
- **Conducted by** : Staff Welfare Committee
- **Venue** : Activity Hall

The Staff Welfare Committee organized an inspiring Session on the "Research Journey" with the objective of motivating faculty members to actively engage in research. The session was graced by the presence of esteemed dignitaries including Dr. Vaishali B. Patil Director IMRD. Dr. Manoj N. Behere Asst. Director, HOD, MCA & MCA (Integrated), Dr. Manoj B. Patel IQAC Coordinator, and Dr. Tushar R. Patel HOD, BCA, BBA & BMS. The session aimed to build awareness, share real-life experiences and provide practical guidance for conducting academic research. The session commenced with the felicitation of Dr. Manoj N. Behere, Dr. Amarsingh K. Gaur and Dr. Yogesh C. Shethiya in recognition of their successful completion of Ph.D. degrees and contributions to academia. Dr. Manoj N. Behere shared his research journeys during his doctoral studies, providing valuable insights into Choosing and refining a research topic, managing time and balancing teaching with research work, overcoming challenges in data collection and analysis, Maintaining research ethics and academic responsibilities.

Dr. Amarsingh K. Gaur shared useful tips on how to manage time effectively and balance teaching duties with research activities. Dr. Yogesh C. Shethiya spoke about the difficulties faced during the Ph.D. and encouraged faculty to stay strong and determined. All three resource persons gave helpful information about the research process from finding a good research topic to publishing papers. They also cleared many doubts and inspired the faculty to start or continue their Ph.D. journey.

The session encouraged faculty members to start or continue their research with new energy. They got useful tips on how to begin and manage research properly. The session helped them improve their research skills and learn new things. It helped create awareness about research, gave helpful guidance, and encouraged a strong research culture in the college. After the speeches by the resource persons, Resp. Dir. Dr. Vaishali B. Patil addressed the gathering and appreciated the valuable insights shared by the resource person. She emphasized the importance of research in academic growth and institutional development. She encouraged all faculty members to actively engage in research activities and pursue Ph.D. programs. The Session was successfully organized by the Staff Welfare Committee Mr. Sufiyan M. Bagwan, the Committee Coordinator, along with committee members Mrs. Kirtika N. Behere Mrs. Vrushali S. Tambe took on various responsibilities to ensure the smooth execution of the session.

Session on “Research Journey”

Dr. Manoj N. Behere Felicitated By

Expert Talk on the occasion of University Anniversary Day & University Name Extension Day

- **Name of the Event** : Expert Talk on the occasion of University Anniversary Day and University Name Extension Day
- **Date of Event** : 9th August 2025
- **Conducted by** : Student Development Department
- **Venue** : Classroom

The Student Development Department of R.C. Patel Educational Trust's, Institute of Management Research and Development, Shirpur organized an Expert Talk on the occasion of University Anniversary Day and University Name Extension Day on 9th August 2025. The objective of this Expert talk was to make student aware about university anniversary day and university name extension day.

Resource person for this expert talk was Mr. Vishal Pawar. Mr. Pawar in the opening remark gave insight about history of North Maharashtra University using power point presentation. During session sir highlighted various landmarks and achievement made by university Name and tenure of every Vice Chancellor was shown by the resource person. Total 52 students attended this expert talk. Ms. Punam Mandalik proposed vote of thanks.

To make this event successful the Student Development Officer Dr. Manoj S. Sonawane, the Assistant Student Development Officers Mrs. Chhaya S. Patil, Mr. Sachin S. Surana, Mrs. Suvarna Chaudhari, Ms. Punam Mandlik took efforts.

Interaction of Resource Person Mr. Vishal Pawar with Students during program

AIDS Awareness Rally & Online Quiz

- **Name of the Event** : AIDS Awareness Rally & Online Quiz
- **Date of Event** : 12th August 2025
- **Conducted by** : Student Development Department
- **Venue** : Mukesh Bhai Town Hall

On August 12, 2025, the Red Ribbon Club and NSS Unit of RCPET's IMRD, Shirpur, jointly organized an AIDS Awareness Rally to educate the public about HIV/AIDS prevention, early detection, and the importance of breaking myths and misconceptions surrounding the disease.

The rally commenced from RCPET's IMRD and proceeded through Karvand Naka, culminating at Mukesh Bhai Town Hall. Students from MCA, BCA, BBA, and BMS programs, along with staff members and volunteers, actively participated in the event. Participants carried banners, placards, and wore red ribbons, the universal symbol of AIDS awareness. Throughout the rally, slogans promoting health, safety, and compassion were raised, drawing attention from the local community and encouraging them to seek accurate information about HIV/AIDS.

In addition to the rally, an Online AIDS Awareness Quiz was organized to mark World AIDS Day. A total of 273 participants took part in the online quiz on AIDS awareness. The quiz aimed to test and enhance participants' knowledge about HIV/AIDS, preventive measures, and the need for empathy towards affected individuals.

The success of the event was made possible through the guidance and support of Hon. Director Dr. Vaishali B. Patil, MCA and Assistant Director Dr. Manoj Behere, IQAC Coordinator Dr. Manoj Patel, UG Department Head Dr. Tushar Patel, NSS Program Officer Dr. Yogesh Shethiya, along with all team members. Their teamwork and dedication ensured the event was well-planned, efficiently managed, and memorable for all participants.

RCP IMRD Students Lead AIDS Awareness Rally under the Red Ribbon Club

Youth power in action – educating communities, saving lives

Tiranga Abhiyan - 2025

- **Name of the Event** : Tiranga Abhiyan - 2025
- **Date of Event** : 13th to 15th August 2025
- **Conducted by** : National Service Scheme
- **Venue** : RCPET's IMRD

RCPET's IMRD, Shirpur, organized the "Tiranga Abhiyan - 2025" campaign from 13th to 15th August 2025. This initiative aimed to raise awareness about the national flag, encourage its purchase, and motivate the community to hoist the Tiranga at their homes. NSS volunteers from RCPET's IMRD, Shirpur, carried out a number of effective awareness drive as part of the "Tiranga Abhiyan-2025" campaign to inform students and the local community about the Tiranga's historical and cultural significance.

A key highlight of the campaign was the promotion of locally made Tiranga flags. Volunteers encouraged students and residents to purchase flags from local artisans and vendors, thereby supporting indigenous craftsmanship and promoting self-reliance. Additionally, volunteers actively participated in the 'Har Ghar Tiranga' initiative by taking selfies with the Tiranga displayed at their homes and uploading them to the My Bharat Portal link. This digital engagement further amplified the campaign's reach and visibility. The Tiranga Abhiyan-2025 campaign at RCPET's IMRD, Shirpur was a resounding success with active participation from NSS volunteers, faculty, and the local community. Volunteers promoted the cultural importance of the national flag, encouraged support for local flag vendors, and uploaded selfies with the Tiranga on the My Bharat Portal. The success of this event was made possible through the guidance and support of Hon. Director Dr. Vaishali B. Patil, IQAC coordinator Dr. Manoj B. Patel, NSS Program Officer Dr. Yogesh Shethiya, Ms. Pooja Jain, Ms. Ayesha Pinjari and Ms. Vaishnavi Suryavanshi. Their collective efforts ensured the smooth coordination and execution of the program, making it a memorable and impactful event for all participants.

Har Ghar Tiranga campaign at RCPET's IMRD Shirpur with key Staff and volunteer

A rally was organized to promote the Har Ghar Tiranga campaign and spread the message of patriotism among the community.

FDP on "Research Journey"

- **Name of the Event** : FDP on "Research Journey"
- **Date of Event** : 18th to 20th August 2025
- **Conducted by** : Staff Welfare Committee
- **Venue** : Activity Hall

The Staff Welfare Committee of IMRD organized a 3-Day Faculty Development Program (FDP) on "Research Journey" with the aim of encouraging faculty to take an active interest in academic research. The program was conducted from 18th to 20th August 2025 and featured engaging sessions by eminent academicians and Ph.D. holders who shared their research experiences, offered practical guidance, and answered research-related queries. The FDP was inaugurated in the presence of esteemed dignitaries including Dr. Vaishali B. Patil (IMRD Director), Dr. Manoj N. Behere (Asst. Director, HOD, MCA & MCA (Int.)), Dr. Manoj B. Patel (IQAC Coordinator), and Dr. Tushar R. Patel (HOD, BCA, BBA & BMS).

The session commenced with the felicitation of Dr. Manoj N. Behere, Dr. Amarsingh K. Gaur and Dr. Yogesh C. Shethiya in recognition of their successful completion of Ph.D. degrees and contributions to academia.

The first day of the Faculty Development Program focused on the topic "Initiating the Research Journey" and was conducted by Dr. Manoj N. Behere. In this session, Dr. Manoj N. Behere shared his experiences during his Ph.D. journey, offering valuable insights into the early stages of academic research. He emphasized the importance of selecting and refining a suitable research topic, and how critical this step is in shaping the entire research process. He also discussed practical strategies for balancing teaching responsibilities with research work, which is a common challenge for faculty members. Dr. Manoj N. Behere highlighted the significance of maintaining strong research ethics and fulfilling academic responsibilities with integrity. Throughout the session, he motivated faculty members to overcome Doubt and develop the confidence needed to begin on their own research paths.

The second day of the FDP was centred on the topic "Managing Research Effectively" led by Dr. Amarsingh K. Gaur. During his session, Dr. Amarsingh K. Gaur focused on the importance of effective time management, particularly for faculty members who must balance academic duties with ongoing research. He provided practical tips and strategies to help participants stay focused and organized throughout their research journey. Dr. Amarsingh K. Gaur also addressed common challenges faced during research, such as maintaining consistency and managing workload, and shared methods to overcome them with a positive and disciplined approach. He encouraged faculty to remain committed to their research goals and emphasized the long-term benefits of perseverance in academic work.

The final day of the FDP was dedicated to the topic "Overcoming Challenges in Research" and was conducted by Dr. Yogesh C. Shethiya. In this insightful session, Dr. Yogesh C. Shethiya spoke about the various challenges commonly faced during the Ph.D. journey, including academic pressure, data-related issues, and motivation lapses. Drawing from his own experiences, he offered

practical suggestions and words of encouragement on how to effectively tackle these obstacles.

He also elaborated on the entire research process starting from topic selection to publishing research papers, highlighting key stages and best practices. The session concluded with an interactive segment where Dr. Yogesh C. Shethiya addressed the doubts and queries of participants, leaving them inspired and better equipped to handle their own research pursuits.

All three resource persons gave helpful information about the research process from finding a good research topic to publishing papers. They also cleared many doubts and inspired the faculty to start or continue their Ph.D. journey.

The research persons highlighted the support and facilities provided by the institute. They also emphasized the support and motivation of the Director Madam and all the staff members of the institute.

The FDP encouraged faculty members to start or continue their research with new energy. They got useful tips on how to begin and manage research properly. The FDP helped them improve their research skills and learn new things. It also created a friendly environment where faculty could share ideas and support each other in their research work.

The Research Journey session was a useful and inspiring experience for all faculty members. It helped create awareness about research, gave helpful guidance, and encouraged a strong research culture in the college.

Resp. Dir. Dr. Vaishali B. Patil addressed the gathering and appreciated the valuable insights shared by the resource person. She emphasized the importance of research in academic growth and institutional development. She encouraged all faculty members to actively engage in research activities and pursue Ph.D. programs.

The FDP was successfully organized by the Staff Welfare Committee Mr. Sufiyan M. Bagwan, the Committee Coordinator, along with committee members Mrs. Kirtika N. Behere. Mrs. Vrushali S. Tambe took on various responsibilities to ensure the smooth execution of the session.

Data Driven Insights

- **Name of the Event** : Data Driven Insights
- **Date of Event** : 19th August 2025
- **Conducted by** : UG Department
- **Venue** : Lab VI, VII, VIII.

As part of the TYBCA curriculum, a project titled “Data Driven Insights” was undertaken to evaluate students’ ability to develop complete applications by integrating front-end and back-end technologies along with proper database connectivity. The project emphasized both web application and console application development, ensuring that students gained hands-on experience in real-time data flow management.

Students from TYBCA - A, B, and C divisions actively participated. All groups designed creative projects with proper use of front-end and back-end technologies. Most projects successfully demonstrated CRUD operations, database connectivity, and error handling. Students explained their projects confidently, showcasing knowledge of the technologies used and teamwork.

HOD UG, Dr. Tushar R. Patel sir’s addressed and motivated students that be curious – keep exploring new technologies. Be confident – trust your skills and knowledge. Be committed – give your 100% in everything you do. Be collaborative teamwork will always multiply success. He encourages students to carry forward this spirit of innovation in all future endeavours. The Institute of Management Research and Development, Shirpur, is proud of your achievements, and wish them all the very best for a bright career ahead.

Sincerely thanks to Mr. Mahesh K. Bhavasar, Mrs. Priyanka S. Saindane, Mrs. Vijeta B. Songire for their valuable time, guidance, and continuous support throughout the event. Their dedicated efforts in mentoring, evaluating, and motivating the students played a vital role in making this activity a memorable and enriching learning experience.

HOD Dr. Tushar Patel provided valuable insights as students showcased their data-driven solutions

Winners of the ‘Data Driven Insights’ project

Generative AI And Argentic AI

- **Name of the Event** : Generative AI and Argentic AI
- **Date of Event** : 21st August 2025
- **Conducted by** : CSI
- **Venue** : Classroom

The CSI Student Branch organized a Seminar on Generative AI and Agentic AI for MCA (Integrated) IV & V students on 21st August 2025. Mr. Mukesh Badgujar was invited as a resource person. He is an alumnus of the MCA (Integrated) 2017-2021 batch. Currently working as Senior Software Developer and GenAI Engineer. The key highlights of the Seminar are as follows:

- In-depth coverage of generative AI models and their technical foundations.
- Real-world use cases showcasing applications of generative AI across industries.
- Insights into AI-generated content in text, images, audio, and video.
- Discussion on ethical considerations and challenges in generative AI, including bias and misuse.
- Exploration of the impact of generative AI on creative industries and automation.
- Future trends and emerging research directions in generative AI.
- Introduction to Agentic AI systems, highlighting AI agents capable of autonomous decision-making, planning, and goal execution.
- Interplay between generative and agentic AI, exploring how generative models empower agentic systems with creativity, adaptability, and personalized interactions.

Mr. Mukesh Badgujar provided an in-depth overview of generative AI models, tracing their technical foundations from early rule-based systems to advanced deep learning architectures such as transformers. He shared real-world use cases illustrating how generative AI is transforming industries including healthcare, entertainment, finance, and marketing. The seminar offered detailed insights into AI-generated content across multiple modalities text, images, audio, and video highlighting the increasing capabilities of multimodal models that integrate diverse data types to produce richer outputs. Ethical considerations were also addressed, focusing on challenges such as bias in AI models, potential misuse, and the critical importance of responsible AI development.

Students found the seminar highly valuable for gaining a comprehensive understanding of generative AI's technical foundations, practical applications, ethical challenges, and future potential.

**Dr. Manoj Behere sir felicitating
Mr. Mukesh Badgujar**

**Mr. Mukesh Badgujar delivering an insightful

Infotainment Programme on Ekaa Lagnaachi Kortatli Gosht

- **Name of the Event** : Infotainment Programme on Ekaa Lagnaachi Kortatli Gosht
- **Date of Event** : 23rd August 2025
- **Conducted by** : Yuvati Sabha Committee
- **Venue** : Auditorium Hall

Institute Yuvati Sabha Committee organized an infotainment programme on Ekaa Lagnaachi Kortatli Gosht. The resource person was Ms. Alka Pawangadkar. She has been actively working on women and child-related issues since 1987 and has contributed to gender sensitization across Maharashtra. The programme began with a warm verbal welcome and felicitation ceremony. The Institute Director, Dr. Vaishali Patil Ma'am, delivered the preface of the program to set the context for the session. The program was graced by the esteemed presence of Hon. Jayshreeben Patel (Former President of Shirpur Municipal Cooperation),

Hon. Krutiben Patel (Director SES & RCPET), Hon. Rita Patel and Dr. Sunita Patil (Director-MPSTME Shirpur Campus). The core of the event was the Infotainment Programme presented by Ms. Alka Pawangadkar, which engaged the audience through storytelling, inspirational songs, and social awareness themes. The programme, presented in the form of a one-act play, narrated the inspirational story of Rakhma, a 19th-century young woman from Mumbai, who bravely opposed child marriage and fought a prolonged legal battle for her choices. Through this dramatic performance, the audience witnessed Rakhma's courage and persistence, which eventually led her to become the first practicing woman doctor with an M.D. degree in Bombay Province, where she served until 1930.

The story highlighted critical issues such as child marriage, parenting, consent and compatibility in marriage, impediments in women's lives, legal reforms, and socio-cultural evolution.

The session was highly engaging, followed by an interactive Question–Answer session, where students shared their thoughts and clarified their doubts about women's rights and social reforms

An inspiring gathering – Ms. Alka Pawangadkar with dignitaries and guests at IMRD, Shirpur

Ms. Alka Pawangadkar performing one act play “Ekka Lagnachi Kortatil Goshta”

From Campus to Career: Navigating the IT Industry as a Fresh Graduate

- **Name of the Event** : From Campus to Career: Navigating the IT Industry as a Fresh Graduate
- **Date of Event** : 23rd August 2025
- **Conducted by** : Training and Placement Cell
- **Venue** : Auditorium Hall

The Training and Placement Cell of Institute has organized an insightful alumni interaction session titled “From Campus to Career: Navigating the IT Industry as a Fresh Graduate” on 23rd August 2025, through a virtual mode (Google Meet) for MCA 2nd, MCA (Integrated) 4th Year students.

The resource person for the session was Mr. Manohar Chaudhari, Senior Front-End Developer at Singtel, Singapore. Mr. Manohar Chaudhari, is an alumnus of MCA (2009–2012 batch) is expertise in React, Typescript, and UI Best Practices, with a career dedicated to elevating web experiences.

Mr. Manohar Chaudhary shared his professional journey from being an MCA student at RCPET’s IMRD to becoming a Senior Front-End Developer in an international company.

He emphasized the importance of continuous learning, adaptability, and hands-on practice in modern technologies such as React and Typescript.

Practical advice was given to students regarding interview preparation, resume building, communication skills, and technical upskilling.

He encouraged students to take participation in projects development, internships, and real-world case studies to strengthen their profiles.

He talked about the demanding skills such as.

- Artificial Intelligence (AI) & Machine Learning (ML): Algorithms, model building, and applied AI solutions.
- Cloud Architecture – Designing, deploying, and managing applications on AWS, Azure, or Google Cloud.
- Cybersecurity – Protecting systems, networks, and data against threats.
- Data Science & Analytics – Data visualization, statistical modelling, and predictive analysis.
- DevOps Engineering – CI/CD pipelines, containerization (Docker, Kubernetes), and automation.
- Full Stack Development – Proficiency in both front-end (React, Angular) and back-end (Node.js, Java, Python, PHP) technologies.

He used wool app in session to asked number of questions to students and keep them engaged throughout the session.

The session proved to be highly beneficial and informative for the students, offering them a real-world perspective on the skills and mind-set required to excel in the IT industry. This event's success was made possible through the dedicated efforts of Dr. Manoj Behere sir, Assistant Director and Head of MCA & MCA (Integrated) Department, Mrs. Archana Jade (TPO), Mrs. Sapana Yeshi (Assistant TPO), faculty members, and the Training and Placement Committee, including Mr. Vishal Pawar, Mr. Vitthal Patil, Mrs. Rohini Patil, Mr. Rahul Badgujar, and Mrs. Dhanashri Patil. Special appreciation was also extended to the non-teaching staff for their continuous support and coordination throughout the event and clarified their doubts about women's rights and social reforms.

Dr. Manoj Behere sir gave his valuable presence for the session

Mr. Manohar Chaudhari recommends the learning resources

MCA Induction Program

- **Name of the Event** : MCA Induction Program
- **Date of Event** : 25th August to 4th September 2025
- **Conducted by** : MCA Department
- **Venue** : Auditorium Hall

The MCA Department of RCPET's IMRD, Shirpur started an Induction Program for the First Year MCA students from 25th August 2025 to 4th September 2025. The program was designed to orient the students towards academic, personal, and professional development. During the induction period, a variety of activities were conducted to enhance students' skills and overall personality, such as:

- Diagnostic Test
- Creativity Enhancement Activity
- Group Discussions on Social Issues
- Event Management Activity
- Analytical and Machine test
- Talent Hunt (Singing, Dancing, Drama, Poetry, etc.)
- Time Management Activity
- Team Building Activity
- Universal Human Values
- SWOC analysis
- Library Orientation
- Importance of Communication
- Proficiency Module (Computer fundamental, IOT, Mathematical foundation, Current Trends, Basics of Internet, Basics of OOP's Concepts)
- Exam, Assessment & Evaluation
- Innovators' Forge
- Physical activities sports and yoga for mindfulness.
- Importance of choice based subjects
- Importance of online certifications platform Swayam , NPTEL,
- AICTE Parakh Portal

The Valedictory Session of the induction program was held on 30th August 2025. The department was honored to invite distinguished alumni and industry leaders as chief guests:

- Mr. Mahendra Patil, Team Lead at Barclay Technologies and alumnus of MCA batch (2001-2004).
- Mr. Gopal Walhe, Vice President of CMOTS Technologies Pvt. Ltd., Mumbai. MCA batch (2001-2004).

The session began with a warm welcome and felicitation of the dignitaries by Hon. Director Dr. Vaishali Patil. Respected Dr. Manoj Behere, Head of the MCA Department, delivered the program preface.

The winning participants of the various induction activities were felicitated with prizes by the esteemed guests.

Mr. Mahendra Patil inspired the students with valuable career guidance, emphasizing:

- Positive Mindset
- Importance of Technical Subjects and Practical Knowledge
- Hands-on Coding Practice
- Problem-Solving Ability
- Logic Building

His insightful talk motivated students to focus on continuous learning and skill development for a successful career.

Mr. Gopal Walhe, in his address, shared his rich professional experience and industry perspective. As a recruiter who regularly hires MCA graduates, he encouraged students to strengthen their technical skills to be industry ready.

Dr. Vaishali Patil, madam, address students. Madam highlighted the importance of utilizing institute facilities effectively and reminded students that their MCA journey is a crucial period for shaping their future. She inspired them to work hard, stay dedicated, and strive to become successful professionals.

A few students also came forward to share their feedback, expressing gratitude to the institute for organizing such an enriching induction program.

The program concluded successfully with the wholehearted support and efforts of all MCA faculty members.

Glimpses of the MCA Induction Program

Personality Development for Students

- **Name of the Event** : Personality Development for Students
- **Date of Event** : 28th August 2025
- **Conducted by** : Training and Placement Cell
- **Venue** : Auditorium Hall

The Training and Placement Cell of RCPET's Institute of Management Research and Development, Shirpur organized a Personality Development Session on 28th August 2025 for the students of BBA, BMS, BCA, MCA, and MCA (Integrated). The session was conducted by Ms. Sayali Saptarishi, a renowned trainer, who guided the students on important aspects of overall development such as Communication Skills for Success, Body Language and Confidence Building, Personality Development Essentials, and Interview Skills and Readiness.

During the session, Ms. Saptarishi emphasized the significance of effective communication, confident body language, and a positive attitude for both personal and professional growth. The program was highly interactive and included practical insights, motivational discussions, and engaging activities, which inspired students and helped them build confidence. A total of 438 students actively participated and benefitted from this session, gaining valuable skills that will prepare them for future academic and career challenges.

As a token of appreciation, Director Dr. Vaishali Patil felicitated Ms. Sayali Saptarishi for her valuable contribution in motivating and guiding the students. The event was also graced by the presence of Dr. Manoj Behere (HOD, PG Department), Dr. Manoj Patel (IQAC Co-ordinator and HOD, MMS), and Dr. Tushar Patel (HOD, UG Department). The event was smoothly anchored by Ms. Archana Jade and concluded with a warm vote of thanks from Ms. Sapana Yeshi.

The smooth conduct of the program was ensured by the Team Training and Placement Cell along with the Parent Teachers of the respective classes, whose support and coordination contributed significantly to the success of the event. The Training and Placement Cell extended heartfelt gratitude to Ms. Sayali Saptarishi, all dignitaries, faculty members, Parent Teachers, and students for their active involvement and cooperation in making the session a grand success.

Creative Group Activities on Soft Skills

- **Name of the Event** : Creative Group Activities on Soft Skills
- **Date of Event** : 30th August 2025
- **Conducted by** : Training and Placement Cell
- **Venue** : Activity Hall

The Training and Placement Cell of Institute organized an Activity based session on Soft Skill for SYBCA students in the Activity Hall. The session was conducted by Mrs. Raksha Sushir, who planned interesting activities to promote teamwork and practical skill development.

The session began with a warm introduction by Mrs. Sapana Yeschi, who welcomed the participants and introduced Mrs. Raksha Sushir Madam, highlighting her expertise in soft skill training.

Students were divided into groups and took part in two activities:

- State Representation by Poster Making Groups represented different states of India through creative posters.
- Advertising of an Object Made from A4 Paper Groups designed an object with A4 paper and presented it with an advertisement pitch.

The students were assessed on presentation skills such as communication, body language, eye contact, teamwork, leadership, and time management. These activities encouraged critical thinking, creativity, and collaboration. A total of 75 students participated enthusiastically, making the session lively and successful.

The program ended with valuable feedback from Mrs. Raksha Sushir, who appreciated the efforts of the students and suggested ways for further improvement. The smooth conduct of the activity was ensured by the Mrs. Archana Jade Training and Placement officer, Mrs. Sapana Yeschi and Team Training and Placement Cell whose support contributed to its success. The Training and Placement Cell expressed sincere gratitude to Mrs. Raksha Sushir and all the students for their active participation.

Session conducted by Mrs. Raksha Sushir

Session on Career Counselling

- **Name of the Event** : Session on Career Counselling
- **Date of Event** : 30th August 2025
- **Conducted by** : Training and Placement Cell
- **Venue** : Activity Hall

A Career Counselling Session was conducted for SYBCA students on 30th August 2025. The session was delivered by Mrs. Sapana S. Yeshe, Assistant Training & Placement Officer, on the topic “Exploring Career Pathways and Opportunities after BCA.”

The session focused on different career options after BCA, such as higher studies like MCA, MBA, Data Science, and AI, along with job opportunities in software development, database management, networking, cyber security, and business analysis.

Students were oriented on key topics such as:

- Job opportunities in IT services, software development, and related industries.
- Postgraduate study options after BCA (MCA, MBA etc.)
- Competitive exams and professional certifications (e.g., Cloud, Cyber security, Data Analytics)
- Importance of skill enhancement, coding practice, and domain knowledge
- Role of communication skills and personality development in career growth

The session was highly interactive and engaging, as students actively took part in discussions and raised several career-related queries. The use of real-life examples and practical insights by the speaker made the session more relatable, helping students clearly understand industry expectations, upcoming trends, and the skills required to stay competitive.

The program received encouraging feedback from the participants, who expressed that it not only clarified their doubts regarding higher education options, placement opportunities, and professional certifications but also highlighted the importance of continuous skill development and personality growth. Many students shared that the session boosted their confidence, motivated them to prepare more effectively, and provided a clear roadmap to shape their career journey.

Session on Exploring Career Pathways and Opportunities after BCA by Mrs. Sapana Yeshe

Student Club Activities

- **Name of the Event** : Workshop on Simple Dashboard Making using Python or R Programming
- **Date of Event** : 13th July 2025
- **Conducted by** : IMRD Tech Club
- **Venue** : Seminar Hall

A workshop of "Simple Dashboard Making using Python or R Programming" was conducted on 13th July 2025 for SYBBA students. The session was hosted by IMRD Tech Club, who led the session with practical demonstrations and insightful guidance. The workshop began with an introduction to data dashboards and their real-world applications, highlighting their importance in business and analytics. Participants were then given an overview of popular tools used for dashboard creation, including Python libraries like Streamlit and Plotly, as well as R's Shiny framework. A live demonstration showcased the step-by-step process of building a basic interactive dashboard, allowing students to visualize how data can be effectively presented. It concluded with an interactive questions and answer section, where students engaged actively, clarified their doubts, and shared ideas for potential projects. The session aimed to demonstrate how simple yet effective dashboards can be created using popular programming tools such as Python and R. Additionally, the workshop sought to provide students with hands-on exposure to fundamental libraries and frameworks commonly used in dashboard development, enabling them to gain practical skills and confidence in building their own data visualization projects.

Dr. Tushar Patel guided the students on programming and emphasized the future importance of Python and R. His valuable insights motivated students to explore more about data visualization and apply these skills in their academic and future projects. The successful execution of this workshop was made possible through the efforts of Tech Club Coordinator Dr. D.M. Marathe and Mrs. Jyotsna D. Mali, along with Club Members.

Student Club Activities

- **Name of the Event** : Power BI Dashboard Competition
- **Date of Event** : 30th July 2025
- **Conducted by** : IMRD Tech Club
- **Venue** : Seminar Hall

The TechClub successfully organized a “Power BI Dashboard Competition” on 30th July 2025 under the guidance of Dr. D. M. Marathe Sir. The competition provided a platform for TYBCA (B) students to showcase their ability to transform raw data into meaningful insights through creative and interactive dashboards.

Key Highlights:

- Students designed and presented dashboards using Power BI with a focus on clarity, creativity, and precision.
- Participants effectively used charts, tables, and KPIs to represent both business and academic datasets.
- Projects covered diverse themes, reflecting strong analytical thinking and technical proficiency.
- The competition encouraged the practical application of classroom learning to real-world data scenarios.

Objectives Achieved:

- Gained hands-on experience in data visualization and storytelling with Power BI.
- Strengthened problem-solving, analytical, and presentation skills among students.
- Promoted awareness of the importance of data-driven decision-making in modern industries.

Feedback and Outcomes:

- The event received positive feedback from both students and faculty for its engaging and application-oriented approach.
- Participants demonstrated innovative solutions and showcased their ability to manage and analyze data effectively.
- The competition boosted confidence and prepared students for future academic projects, hackathons, and professional challenges.

Student Club Activities

- **Name of the Event** : Counselling Session
- **Date of Event** : 16th August 2025
- **Conducted by** : IMRD Tech Club
- **Venue** : Activity Hall

To provide students with a platform to discuss and address mental health concerns, academic pressures, and personal issues, while simultaneously fostering practical skills in data visualization and dashboard creation. Tech Club successfully conducted a counselling session alongside a hands-on workshop on dashboard creation using Python or R programming. The session, led by Dr. Asha Patil, aimed to guide students in managing mental health challenges such as stress, anxiety, relationships, and exam pressure. In addition, students were introduced to the basics of creating simple dashboards, enhancing both their technical and personal development skills.

Key Highlights:

- Covered topics such as mental health awareness, stress management, and coping strategies.
- Highly interactive discussions with active student participation.
- Practical advice and insights provided to help students manage emotions and pressures effectively.

The session received highly positive feedback from students, who found it both informative and engaging, appreciating the opportunity to discuss personal concerns and receive guidance. As an outcome, the session enhanced students' awareness and understanding of mental health and well-being, improved their ability to manage stress, anxiety, and interpersonal relationships. Additionally, it fostered a sense of community support and encouraged students to prioritize both their personal and professional growth.

Dr. Asha Patil conducting a student counselling session on mental health and

Noteworthy Achievements or Contributions of IMRD Members

- **Name of Student** : Sakshi Sandeep Patil
- **Program** : BCA Third Year
- **Achievement Title** : Exploring Digital Technologies & Excellence in C++ Programming

Sakshi Sandeep Patil has demonstrated commendable academic and technical excellence through her achievements in both digital technologies and programming. She explored case studies on Artificial Intelligence (AI), Internet of Things (IoT), Robotics, and Blockchain, analyzing their real-world applications across industries such as healthcare, manufacturing, and smart cities. Her work highlighted how emerging technologies drive innovation, efficiency, and personalization, preparing her to contribute meaningfully to the digital era.

Alongside this, Sakshi successfully completed the MKCL Certificate in C++ Programming with an outstanding score of 90%. Through this certification, she gained strong command over Object-Oriented Programming, data structures, and file handling. To apply her knowledge, she developed five practical mini projects—including a Student Management System, Library Management System, Bank Account Simulation, Quiz Game, and Simple Calculator. These projects showcase her problem-solving abilities, coding expertise, and capacity to design real-world solutions.

Her achievements reflect not only her technical proficiency but also her ability to integrate classroom learning with practical application. This balance of theory and practice demonstrates her readiness for future industry challenges and inspires her peers to embrace technology-driven innovation.

IMRD student Sakshi Patil recognized with certificate of Course Completion

Noteworthy Achievements or Contributions of IMRD Members

- **Name of Student** : Manswi Satish Patole
- **Program** : BBA Third Year
- **Achievement Title** : ShE-Sparks Certificate

Manswi Satish Patole has successfully earned recognition through her participation in the ShE-Sparks movement, a year-long initiative by YourStory aimed at empowering women, fostering leadership, and driving systemic change in India's economy and society. Through active engagement in their sessions, she gained valuable knowledge and insights from leaders in entrepreneurship, enhancing her understanding of innovation and business leadership.

Alongside this, Manswi's active role in the National Service Scheme (NSS) highlights her commitment to community service and social responsibility. As a volunteer, she participated in the NSS camp at Wanaval village, where she engaged in various social activities and performed a drama on cybersecurity awareness. These experiences have helped her cultivate leadership, teamwork, and communication skills, while also making a meaningful contribution to society.

Her achievements reflect the integration of academic learning with practical exposure, showcasing her growth as a responsible, skilled, and socially conscious individual who is prepared to make an impact both in the professional world and in the community.

IMRD student Manswi Patole recognized with certificate of workshop

Noteworthy Achievements or Contributions of IMRD Members

- **Name of Student** : Patil Mayuri Nitin
- **Program** : BCA Third Year
- **Achievement Title** : First Rank in Data Driven Competition & Python Development Internship – TechnoHacks Solutions

1. **Data Driven Competition** – Patil Mayuri Nitin participated in the Data Driven Competition (19 August 2025) where she developed two innovative projects: one using HTML, CSS, JavaScript, and Python with SQL Server, and another using Advanced Java with MySQL. With her technical knowledge and problem-solving skills, she secured the First Rank in the competition and was honored with an award by the Director Dr. Vaishali Patil Ma'am and Dr. Tushar Patel Sir.
2. **Internship – TechnoHacks Solutions:** Patil Mayuri Nitin successfully completed a one-month internship in Python Development (July 2025). During this internship, she gained practical exposure to backend programming, database connectivity, and project implementation, which strengthened my coding skills and professional competence.

These achievements reflect Patil Mayuri Nitin dedication to continuous learning, academic excellence, and professional growth.

Patil Mayuri got First Rank in Data Driven Competition

Python Development Internship Certificate

- **Name of Student** : Patil Giteshwari Rajendra
- **Program** : BCA Third Year
- **Achievement Title** : AI Based Internship at SLMT Technology

Patil Giteshwari Rajendra has successfully enhanced her professional competencies through her AI-based internship at SLMT Technology Pvt. Ltd., a six-month program held from 10th February 2025 to 10th August 2025. During this internship, she gained valuable hands-on experience in the research domain, working on projects related to MSRTC and developing real-world applications. One of her key accomplishments was the successful development of a Crypto currency Dashboard and Portfolio, which strengthened her technical expertise and analytical thinking.

In addition to project work, she actively engaged in structured training sessions on Prompt Engineering, Python, HTML, CSS, and Database Management. These sessions enriched her knowledge base, honed her development skills, and broadened her understanding of industry practices. The internship not only enhanced her technical proficiency but also improved her problem-solving abilities, innovation mindset, and adaptability to professional environments.

Her achievement reflects the integration of academic learning with practical exposure, showcasing her growth as a skilled, innovative, and industry-ready professional, well-prepared to contribute meaningfully in the field of technology.
