From the desk of Hon'ble Director

Prof. Dr. Vaishali B. Patil

Director,
RCPET's Institute of Management
Research and Development, Shirpur

Dear Students, Faculty Members, Alumni, and Readers,

Greetings from R. C. Patel Educational Trust's Institute of Management Research and Development (IMRD), Shirpur!

It gives me great pleasure to present the June–August 2026–27 issue of the Newsletter of the Department of Computer Applications. This publication reflects the vibrant academic environment, achievements, and initiatives undertaken by the department during the initial months of the academic year.

In today's rapidly evolving digital era, technologies such as Artificial Intelligence, Data Analytics, Cloud Computing, Cybersecurity, and emerging technologies are transforming the IT landscape. At IMRD, we are committed to providing quality, industry-oriented education that equips students with technical knowledge, analytical abilities, professional skills, and the confidence to meet emerging challenges and opportunities.

During this period, the Department of Computer Applications organized and participated in various academic, co-curricular, technical, and extension activities, including workshops, seminars, expert sessions, competitions, student development initiatives, and industry-oriented programmes. These activities have enriched the learning experience and contributed to the overall development of our students.

I sincerely appreciate the dedicated efforts of our faculty members, students, and editorial team in organizing various activities and documenting the achievements of the department through this newsletter. I also extend my heartfelt gratitude to the Management and Administration for their continuous guidance, encouragement, and support.

I wish the Department of Computer Applications continued success and excellence in all its future endeavours.

From the desk of HOD, Department of Computer Applications

Dr. Manoj N. Behere

HOD, Department of Computer Applications
RCPET's Institute of Management
Research and Development, Shirpur

It gives me immense pleasure to present the June–August 2026–27 issue of the Department of Computer Applications Newsletter. This issue highlights the academic activities, achievements, technical initiatives, and accomplishments of our students and faculty members during this period.

The Department of Computer Applications remains committed to providing quality, industry-oriented education while fostering innovation, critical thinking, research, practical learning, and lifelong learning. In the rapidly evolving field of Information Technology, our efforts are focused on equipping students with relevant technical knowledge, professional skills, and values essential for successful careers.

During this period, the department conducted and participated in various academic, technical, co-curricular, and skill-development activities, including workshops, expert lectures, technical competitions, industry interactions, and student development programmes. These initiatives provided students with valuable opportunities to enhance their technical proficiency, creativity, leadership, teamwork, and employability skills.

I am pleased to acknowledge the achievements of our students and faculty members in academics, research, certifications, placements, and extracurricular activities. Their dedication and enthusiasm continue to bring pride to the department.

I sincerely appreciate the efforts of the editorial team, faculty members, and students in compiling this newsletter and documenting the department's activities and achievements. I also extend my gratitude to the Management and Administration for their continued guidance and support.

I congratulate all the contributors and wish our students continued success in their academic and professional endeavours. Let us continue to learn, innovate, and strive for excellence together.

From the desk of IQAC Coordinator

Dr. Manoj B. Patel

IQAC Co- Ordinator,
RCPET's Institute of Management
Research and Development, Shirpur

It gives me great pleasure to present the June–August 2026–27 issue of the Department of Computer Applications Newsletter. This issue showcases the academic achievements, innovative initiatives, and quality enhancement activities undertaken by the department during the period. It reflects the department's continuous efforts towards excellence in teaching-learning, research, skill development, and student engagement.

The Internal Quality Assurance Cell (IQAC) remains committed to fostering a culture of quality through systematic planning, monitoring, and continuous improvement. During this period, the Department of Computer Applications actively promoted Outcome-Based Education, industry-academia interaction, workshops, seminars, certification programmes, and research-oriented learning for the holistic development of students and faculty members.

I am pleased to note the enthusiastic participation of students in academic, co-curricular, and extension activities, which contributes significantly to their overall development and professional preparedness. The dedicated efforts of the Head of the Department, faculty members, staff, and students have played an important role in achieving these milestones.

I congratulate the editorial team for their sincere efforts in compiling this informative newsletter and documenting the department's activities and achievements. I am confident that the Department of Computer Applications will continue to pursue higher standards of quality and excellence and contribute meaningfully to the vision and mission of the institution.

Editor's Message

Mr. Dinesh A. Borase

Assistant Professor,
RCPET's Institute of Management
Research and Development, Shirpur

Dear Readers,

It gives me great pleasure to present the June–August 2026–27 issue of the Department of Computer Applications Newsletter. This edition highlights the academic, co-curricular, and extracurricular achievements of our students and faculty members during the past three months.

During this period, the department organized and participated in various academic activities, workshops, seminars, competitions, industry interactions, and student development initiatives. These activities provided valuable opportunities for our learners to enhance their knowledge, skills, creativity, confidence, and overall personality.

This newsletter serves as a platform to showcase the dedication, creativity, and accomplishments of our students and faculty members. It reflects our continuous efforts to promote excellence in teaching, learning, research, innovation, and skill development in the rapidly evolving field of Information Technology and Computer Applications.

I sincerely appreciate the valuable contributions of all students, faculty members, and staff whose efforts have made this publication possible. I also extend my heartfelt gratitude to the Management and Administration for their constant support and encouragement.

About the Department

The Department of Computer Applications at R. C. Patel Educational Trust's Institute of Management Research and Development (IMRD), Shirpur, has been consistently striving towards excellence in computer education. The department offers undergraduate and postgraduate programmes including BCA, MCA, and MCA (Integrated), designed to build strong foundations in computing along with advanced technological skills. The programmes focus on core areas such as programming, database management, software engineering, and system design, along with a solid grounding in mathematics and analytical thinking. Emphasis is laid on developing problem-solving abilities, technical proficiency, and industry readiness among students.

To meet the evolving demands of the IT industry, the department integrates emerging technologies such as Artificial Intelligence, Machine Learning, Data Analytics, Cloud Computing, Internet of Things (IoT), and Cyber Security into the curriculum. The department is supported by experienced and dedicated faculty members who encourage research, innovation, and experiential learning. Through a combination of academic rigor, practical exposure, workshops, and industry interaction, the Department of Computer Applications aims to nurture competent professionals capable of contributing effectively to the global technology landscape.

Vision of the Institute

The vision of the institute is to provide quality higher education to the students of rural and tribal area, aspiring to develop a global perspective in Information Technology and Management Education.

Missions of the Institute

- To remain outstanding provider of high quality Management and IT education to create proactive and excellent professionals.
- To impart quality education to students and mould them into responsible persons by raising their level of education and social status.
- To provide value based education and igniting young minds to bring out the best in them.
- To make the students competent in global scenario and become self-reliant.

Alumni Speaks

Our alumni are huge assets for the institute and hold significant positions in various national and international reputed organizations in India and overseas. They are a continuous source of inspiration for our students. Our alumni have brought great glory to our institution. Our present students will proudly follow their examples in the years to come and for this we are trying to write about the experiences of our alumni in a column "Alumni Speaks" in every issue of the Department of Computer Applications Newsletter.

1. Name of Alumni : Sandip Bhagawan Patel

2. Qualification : MCA

3. **Year of Passing** : 2007

4. **Company Name & Location** : Microsoft, Dallas TX, USA.

5. **Designation** : Digital Solution Engineer

6. Memories from IMRD : My institute years were an important and memorable chapter of my life. The knowledge, encouragement, and opportunities I received helped build the foundation for my professional career.

Beyond academics, the friendships, classroom discussions, practical sessions, cultural activities, and guidance from faculty members helped me develop confidence, discipline, and a passion for continuous learning. I remain grateful to my teachers and classmates for making this journey meaningful and unforgettable.

7. Journey after IMRD (Starting Job and progress up to current position): After completing my education, I began my career with a strong desire to learn, grow, and contribute. Every role brought new responsibilities, challenges, and opportunities to develop my technical and professional skills.

Today, I work as a Digital Solutions Engineer at Microsoft. My journey has taught me that success is not achieved overnight. It is built through consistent effort, strong fundamentals, adaptability, teamwork, and a willingness to keep learning.

Organization	Duration	Position
Soigne Technologies, Mumbai India	October 2006 to March 2008	Software Engineer
Intelegain Technologies	March 2008 to October 2009	Programmer Analyst
3i-Infotech	Dec 2009 to July 2010	Software Engineer
Cybage	Aug 2010 to October 2012	Software Engineer
Infosys	October 2012 to April 2021	Technology Architect
Microsoft	April 2021 to Present	Digital Solution Engineer

8. Message for current students of IMRD: You are at an important stage of your life, so make the most of every opportunity your college provides. Strengthen your fundamentals, participate in activities, ask questions, build meaningful relationships, and never hesitate to explore new technologies.

Do not be discouraged by challenges or failures. They are part of your learning journey. Stay curious, remain consistent, believe in yourself, and always maintain a positive attitude. The knowledge and habits you develop today will shape your future

9. Message for IMRD Faculty Member: I sincerely thank all faculty members for their dedication, guidance, and continued efforts toward students' development. A teacher's influence extends far beyond the classroom, and your encouragement plays an important role in shaping students' careers and character.

I am proud and grateful to be an alumnus of this institution. I look forward to staying connected and contributing to its continued growth and success.

10. Anything else you would like to share: No matter how far life takes us, there is always a special place in our hearts for the institution that helped shape our journey. I feel proud to be an alumnus of this college and honoured to remain part of its legacy.

"The degree opened doors, but the experiences, friendships, values, and memories from college helped me walk through them with confidence." 🩶

Recruiter Insights

1. Name of Recruiter : Mr. Nikunjkumar Kakadiya

2. Company Name & Location : Deskcode Solution Pvt. Ltd., Surat (Gujarath)

3. Designation : Managing Director

4. Testimonial : We are delighted to share our warm appreciation for RCPET's IMRD, Shirpur, and the wonderful experience we had during the last campus drive. From the moment we arrived, we were warmly welcomed by the faculty and staff, and we truly felt the positive and professional environment of the institute. The students demonstrated remarkable discipline, enthusiasm, and a strong academic culture throughout the process. Their preparedness, communication skills, and eagerness to learn were highly commendable. We are proud to share that we have hired five candidates from this campus drive. They have now become an integral part of our organization and are performing with dedication, hard work, and a consistently positive attitude. Their contribution reflects the excellent grooming and guidance provided by the institute. We sincerely thank the management, faculty, and placement cell for their support and cooperation. We look forward to continued collaboration and more successful campus drives in the future.

5. Industry Trends Insight : Our organization is actively engaged in developing solutions using MEAN (MongoDB, Express.js, Angular, Node.js) and MERN (MongoDB, Express.js, React.js, Node.js) stacks. In addition, Python (Django) is increasingly in demand for backend development, and AI/ML- related technologies are shaping the future of IT with applications in automation, data analytics, and intelligent systems. In the IT industry today, employers are looking for:

- Strong basics in JavaScript, Python, OOPs, and Data Structures & Algorithms (DSA).
- Familiarity with modern frameworks, AI/ML tools, and cloud technologies.
- Adaptability, teamwork, and a positive approach to challenges.

Technical skills combined with a learning attitude and adaptability is the most valued qualities in potential hires.

6. Career Advice for Students: To succeed in today's competitive job market, students should:

- Build strong fundamentals in programming, problem-solving, and OOP concepts.
- Gain practical exposure by working on projects, internships, and coding challenges.
- Improve communication skills to clearly present ideas and solutions.
- Approach interviews with a positive mind set and willingness to learn.

Remember: A combination of technical knowledge and the right attitude creates long-term success.

Best Regards,
Mr. Nikunjkumar Kakadiya
Deskcode Solution Pvt. Ltd., Surat (Gujarath)

At R. C. Patel Educational Trust's Institute of Management Research and Development, we deeply value the perspectives of industry leaders who play a vital role in shaping the career paths of our students. The "Recruiter Insight" column provides a platform for our esteemed recruiters to share their valuable thoughts, expectations, and industry trends. Their expertise serves as a guiding force, enabling our students to stay aligned with the dynamic professional landscape. This initiative strengthens the bond between academia and industry while inspiring our students to pursue excellence in their careers.

We are delighted to feature insights from Deskcode Solution Pvt. Ltd., a reputed organization in the IT services and software solutions sector, and one of our trusted recruitment partners. Known for their commitment to innovation, technology-driven solutions, and nurturing young talent, Deskcode Solution Pvt. Ltd. has consistently provided our students with rewarding career opportunities in software development, IT services, and emerging digital technologies. Their emphasis on skill enhancement, training, and professional growth resonates with our vision of equipping students with industry-ready competencies.

We extend our sincere gratitude to Deskcode Solution Pvt. Ltd. for their continued support and collaboration. We look forward to further strengthening this valuable partnership and creating more avenues for student success in the years ahead.

DEPARTMENT LEVEL ACTIVITIES

Expert Session on Placement Preparation Hacks

- **Name of the Event** : Expert Session on Placement Preparation Hacks
- **Date of Event** : 10th July 2026
- **Conducted by** : Training and Placement Cell
- **Venue** : Activity Hall

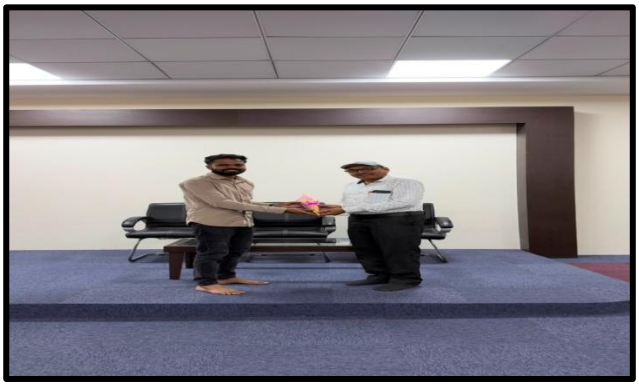

The Training and Placement Cell organized an insightful expert session on "Placement Preparation Hacks" for final-year MCA and MCA (Integrated) students on 10th July 2026. The session featured Mr. Tilak Sonavane, Job-Readiness Expert, TEDx IIT-K Speaker, Content Creator, and Professional at DPP Tech, Pune, as the resource person.

The programme commenced with a warm welcome and introduction by Mrs. Archana Jade, Training and Placement Officer (TPO), followed by the felicitation of the guest by Dr. Manoj Behere, Head Department of Computer Applications.

Mr. Tilak Sonavane shared practical, industry-oriented strategies for placement success, covering ATS-friendly resumes, LinkedIn optimization, technical and employability skills, professional networking, genuine job opportunities, recruitment scams, and career prospects in MNCs and Big Four organizations.

The highly interactive session encouraged students to actively participate and seek guidance on resume building, interviews, off-campus opportunities, and career networking. Real-world examples and industry insights helped students better understand current recruitment practices and expectations.

The programme concluded with a vote of thanks, with support from the faculty and non-teaching staff.

Dr. Manoj Behere sir felicitating Mr. Tilak Sonavane

Mr. Tilak Sonavane conducting expert guidance session

Career Readiness 2026: What Recruiters Really Look For

- **Name of the Event** : Career Readiness 2026: What Recruiters Really Look For
- **Date of Event** : 11th July 2026
- **Conducted by** : Training and Placement Cell
- **Venue** : Activity Hall

The Training and Placement Cell organized a career guidance and placement preparation session titled “Career Readiness 2026: What Recruiters Really Look For” for MCA and MCA Integrated students.

The session was conducted by Mr. Nikhil Mali, alumnus of the 2020 batch of MCA Integrated and currently working as a Salesforce Specialist at HMH (Houghton Mifflin Harcourt), Pune. He provided valuable insights into current IT trends, emerging technologies, and industry expectations from fresh graduates, with special emphasis on the growing importance of Artificial Intelligence (AI).

Mr. Mali guided students on the technical, professional, and soft skills expected by recruiters and introduced them to Sales force and its relevance in the IT industry. Sharing his professional journey and practical experiences, he highlighted ways for students to bridge the gap between academic learning and industry requirements and prepare effectively for placement opportunities. The session began with a welcome and introduction of the resource person by Ms. Archana Jade, Training & Placement Officer. Dr. Manoj Behere, Head, Department of Computer Applications, felicitated the resource person.

The session was coordinated by Mrs. Dhanashree Patil, Mr. Vitthal Patil, Ms. Dipali Nhalde, and Ms. Roshani Baviskar. The interaction provided students with practical exposure to recruiter expectations, emerging technologies, and placement preparation strategies, encouraging them to continuously enhance their skills and develop a career-ready mind-set.

Dr. Manoj Behere sir felicitating Mr. Nikhil Mali

Mr. Nikhil Mali addressing students

ATS-Friendly Resume Building & Placement Readiness

- **Name of the Event** : ATS-Friendly Resume Building & Placement Readiness
- **Date of Event** : 30th July 2026
- **Conducted by** : Training and Placement Cell
- **Venue** : Activity Hall

The Training and Placement Cell organized an ATS-Friendly Resume Building Session for MCA and MCA Integrated final Year students. The session focused on helping students understand the importance of creating a professional, structured, and ATS-friendly resume that can effectively pass through Applicant Tracking Systems (ATS) used by recruiters during the initial screening process.

During the session, students were guided on the essential components of a resume, including career objective, education, technical skills, projects, certifications, achievements, internships, and relevant experiences. Practical guidance was provided on selecting appropriate keywords based on job descriptions, maintaining proper formatting, avoiding common resume mistakes, and presenting skills and projects effectively.

Students were also made aware of common factors that can lead to ATS rejection, such as excessive graphics, inappropriate formatting, irrelevant information, and lack of job-specific keywords. The session encouraged students to customize their resumes according to the requirements of different job roles and companies.

The session provided students with practical knowledge and useful techniques to build professional, ATS-compatible resumes and improve their chances of getting shortlisted for internships and placement opportunities. The session was informative and beneficial in strengthening the students' resume-building and placement readiness skills.

TPO Archana Jade delivering session on Resume building

MCA Students participated in Session

STUDENT CLUB ACTIVITIES

Student Club Activities

- **Name of the Event** : Resume Building Session
- **Date of Event** : 8th August 2026
- **Conducted by** : Tech Club
- **Venue** : Classroom No. 6

The IMRD Tech Club successfully organized a Resume Building Session for students of SYBCA Divisions A, B, and C with the objective of enhancing their professional readiness and employability skills. The session was conducted by Training Domain Members, Ms. Mahima Pawara and Ms. Sakshi Patil, who provided valuable insights into the preparation of effective and industry-oriented resumes.

During the session, the speakers explained the essential components of a professional resume, including personal information, career objectives, educational qualifications, technical competencies, academic projects, certifications, achievements, and extracurricular activities. Students were guided on how to present their qualifications and accomplishments in a structured, concise, and impactful manner.

Special emphasis was placed on resume formatting standards, content organization, and the importance of highlighting relevant skills and experiences aligned with career goals. The resource persons also discussed common mistakes that candidates make while preparing resumes and shared practical tips to improve the overall quality and effectiveness of a resume.

Furthermore, students were encouraged to continuously update their resumes by incorporating newly acquired skills, certifications, projects, internships, and achievements. The session highlighted the significance of maintaining a professional resume as a crucial tool for securing internship opportunities, higher education admissions, and future placements.

The session was highly informative, interactive, and well-received by the participants. It contributed significantly to students' understanding of professional documentation and career preparation, thereby supporting their academic and professional growth.

Students Attentively Participating in the Resume Building Session Organized by the IMRD Tech Club

INSTITUTE LEVEL ACTIVITIES

One-Week Workshop on Yoga & Meditation

- **Name of the Event** : One-Week Workshop on Yoga & Meditation
- **Date of Event** : 16th to 20th June 2026
- **Conducted by** : Sports Department & Staff Welfare Committee
- **Venue** : Activity Hall

On the occasion of International Day of Yoga' 2026, the Staff Welfare Committee and the Sports Department jointly organized a 'One-week workshop on Yoga & Meditation' for the teaching and non-teaching staff of the institute from 16th to 20th June 2026. The program was conducted in the Activity Hall with the objective of promoting physical fitness, mental well-being, stress management and a healthy lifestyle among staff members. The yoga sessions were conducted by Yoga Instructor Mr. Dipak Borase, with valuable assistance from Ms. Pooja Jain. The sessions included Omkar, Prayer, Stretching Exercises Asanas, Pranayama, Meditation and Shanti Path. Participants were encouraged to incorporate yoga into their daily routine to enhance their physical and mental well-being. To ensure maximum participation, the program was organized in two batches:

- Morning Batch : 8:15 AM to 9:00 AM – For UG Staff and Non-Teaching Staff
- Afternoon Batch : 3:15 PM to 4:00 PM – For PG Staff

Total 55 teaching and non-teaching staff members actively participated in the week-long program. The enthusiastic participation and positive feedback from the attendees reflected the success of the initiative.The One-week workshop on Yoga & Meditation concluded successfully, reinforcing the institute's commitment to employee wellness and fostering a healthy, positive and balanced work environment through regular fitness and wellness initiatives Staff members enthusiastically took part in the Mass Yoga Demonstration. Participant felt refreshed & motivated to adopt yoga as a regular part of their lifestyle. This One-week workshop on Yoga & Meditation successfully organized by Staff Welfare Committee and Sports Department of Institute under the guidance of Dr. Vaishali B. Patil, Director of the institute.

Demonstration of Various Yoga Postures by Yoga Trainer

International Yoga Day Celebration

- **Activity Name** : International Yoga Day Celebration
- **Date of Event** : 21st June 2026
- **Conducted by** : Sports Department and R. C. Patel Educational Trust
- **Venue** : Institute Ground

On 21st June 2026, R. C. Patel Educational Trust's Institute of Management Research and Development (IMRD), Shirpur, celebrated the 12th International Day of Yoga with great enthusiasm. The theme for International Day of Yoga 2026 was "Yoga for Healthy Ageing." The programme was graced by Hon. Kashiram V. Pawara, MLA, Shirpur, along with Shri Rajgopalji C. Bhandari, Secretary, R. C. Patel Educational Trust; Mr. Babanbhau Chaudhari; Dr. Umesh Sharma, CEO, Shirpur Education Society; and the Director and faculty members of IMRD.

The programme was jointly organized by the NSS Unit, Sports Committee of IMRD, and Shirpur Education Society to create awareness about the physical and mental health benefits of yoga. The event was conducted in the gracious presence of Acharya Mohan Sir from Patanjali Yog Samiti and commenced at 6:30 a.m. The yoga session was conducted in accordance with the Common Yoga Protocol. Dr. Shrikant Wadile, Yoga Instructor, along with Mr. Mayur Wani, Assistant Yoga Teacher, and Mr. Milind Songade, demonstrated various yoga asanas and guided the participants on the importance of incorporating yoga into their daily lives for maintaining good health and well-being. The session began with Omkar and prayer, followed by various yoga asanas, including Tadasana, Vrikshasana, Trikonasana, Bhujangasana, Shalabhasana, and Pavanmuktasana. The session continued with pranayama and concluded with Shanti Path. Staff members and students enthusiastically participated in the Mass Yoga Demonstration. The celebration witnessed enthusiastic participation from 800+ students and 200+ staff members, including NSS volunteers. The event was successfully organized by the NSS Unit and Sports Department of IMRD under the guidance of Dr. Vaishali B. Patil, Director, RCPET's IMRD, Shirpur. To make the event successful, Ms. Pooja Jain, Physical Director; Mr. Vijay Garge, NSS Programme Officer; NSS Unit members; and volunteers took dedicated efforts. Their active involvement contributed significantly to the successful organization of the International Day of Yoga celebration.

Glimpses of International Yoga Day Celebration

Faculty Development Programme Session- 01 on AI Tools

- **Activity Name** : Faculty Development Programme Session- 01 on AI Tools
- **Date of Event** : 21st July 2026
- **Conducted by** : Staff Welfare Committee
- **Venue** : Activity Hall

The Staff Welfare Committee of the Institute organized a five days Faculty Development Programme on AI Tools on 21st July 2026 for all faculty members. Resource person Mr. Rahul D. Chaudhari, who provided an informative and practical demonstration of the latest Artificial Intelligence (AI) tools and their applications in teaching, learning, research, and academic content creation, conducted the First Session.

During the session, Mr. Rahul Chaudhari introduced faculty members to several advanced AI tools provided by Google and OpenAI, including Gemini, NotebookLM, ChatGPT Vision Mode, Temporary Chat (@temp chat), Gemini Deep Research, and the fundamentals of Prompt Engineering. He explained how these AI-powered tools can significantly improve productivity and enhance the quality of academic work.

The session included extensive hands-on practice, enabling participants to explore the capabilities of these tools in real time. He was demonstrated how AI can be used to generate professional PowerPoint presentations, study notes, mind maps, audio content, videos, slide decks, flashcards, reports, infographics, data tables, and video overviews within seconds. He also explained how to add authentic references and utilize AI responsibly for educational and research purposes.

The faculty members actively participated throughout the session, gaining practical experience in using AI tools for lesson planning, content development, research assistance, classroom engagement, and administrative work.

The interactive demonstrations helped participants understand how AI can simplify routine academic tasks while improving efficiency and creativity.

The programme concluded with an interactive question-and-answer session, during which participants discussed the practical implementation of AI tools in higher education and clarified their queries regarding prompt engineering and AI-assisted content generation.

The session received an enthusiastic response from all faculty members and proved to be highly informative and beneficial.

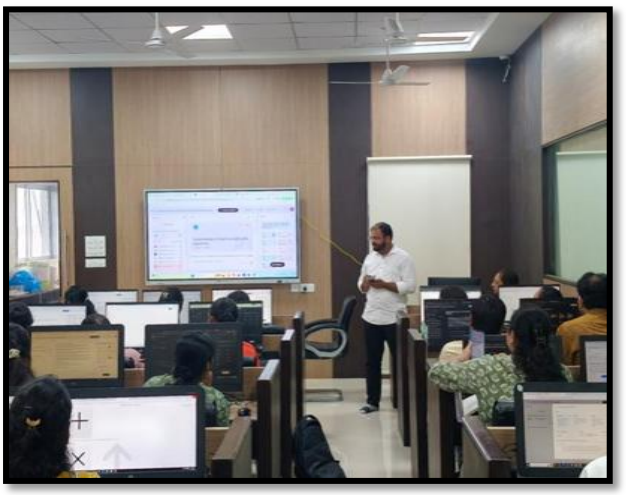

The session was successful under the valuable guidance of Dr. Vaishali Patil ma’am, Director of the Institute, continuous support was extended by Dr. Manoj Behere, Head of the Department of Computer Applications, Dr. Manoj Patel, IQAC Coordinator, and Dr. Tushar Patel, Head of the Department of Management.

Dr. Vaishali Patil Ma'am and Dr. Manoj Patel Sir presenting the Overview of the Faculty Development Program

Mr. Rahul Chaudhari Demonstrating AI Tools for Teaching and Research during the FDP

Faculty Development Programme Session- 03 on Research

- **Activity Name** : Faculty Development Programme session- 03 on Research
- **Date of Event** : 25th July 2026
- **Conducted by** : Staff Welfare Committee
- **Venue** : Activity Hall

The Staff Welfare Committee of the Institute organized five-days Faculty Development Programme (FDP) for all teaching staff. The third session was conducted on 25th July 2026. The session was conducted by Director Dr. Vaishali B. Patil Madam, who shared valuable insights into the fundamentals of research and guided faculty members on developing quality research proposals.

The session began with a relaxation activity, which helped create a positive and energetic learning environment for all faculty members. This activity encouraged active participation and prepared the participants for the research-oriented discussions.

Dr. Vaishali Patil Madam then introduced the basic concepts of research, emphasizing the importance of identifying real-world problems, conducting systematic investigations, and developing innovative solutions. She invited all faculty members to introduce themselves by presenting their respective research areas, research topics, problem statements, and the solutions they had proposed through their research work. This interaction enabled participants to understand the diversity of research being carried out across different domains. Dr. Vaishali Patil Madam explained how each researcher had carried out their research work, including the methodologies adopted, the challenges encountered, and the approach followed to achieve meaningful outcomes.

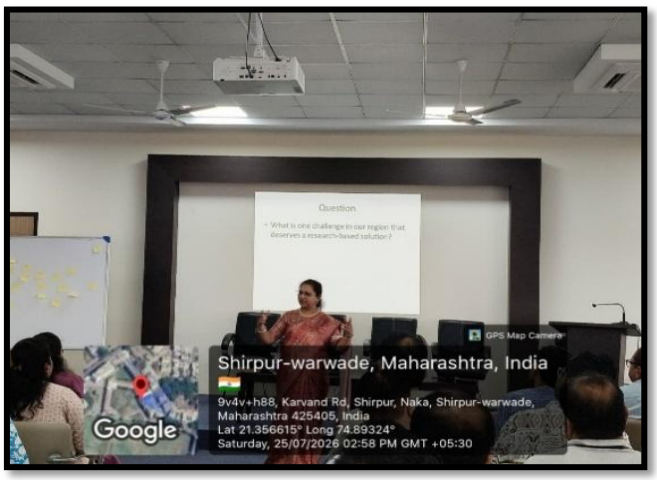

Dr. Vaishali Patil Madam guided the faculty members on how similar research strategies could be applied in their own areas of interest and highlighted the importance of selecting relevant research problems with practical applications.

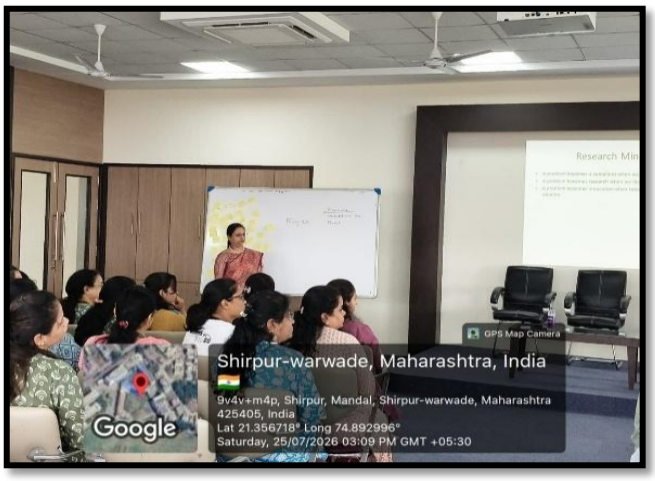

The session also included an informative presentation by Mr. Kaustubha Sawant Sir, who introduced the VCRMS (Vice Chancellor Research Motivation Scheme) and explained the complete process of proposal and online submission.

To provide practical exposure, Dr. Vaishali Patil Madam organized a group activity in which all faculty members were divided into groups of eight members. Each group was given 10 minutes to identify a real-life problem, prepare a clear and concise problem statement, and discuss how it could be converted into a VCRMS research proposal. The activity encouraged teamwork, brainstorming, and innovative thinking while providing hands-on experience in research proposal development. The programme concluded with an interactive discussion in which faculty members presented their problem statements, received constructive feedback from Dr. Vaishali Patil Madam, and discussed possible improvements.

The session proved to be highly informative, practical, and motivating, helping faculty members strengthen their understanding of research methodology and proposal writing. It inspired participants to undertake meaningful research and effectively utilize the VCRMS platform for future research activities.

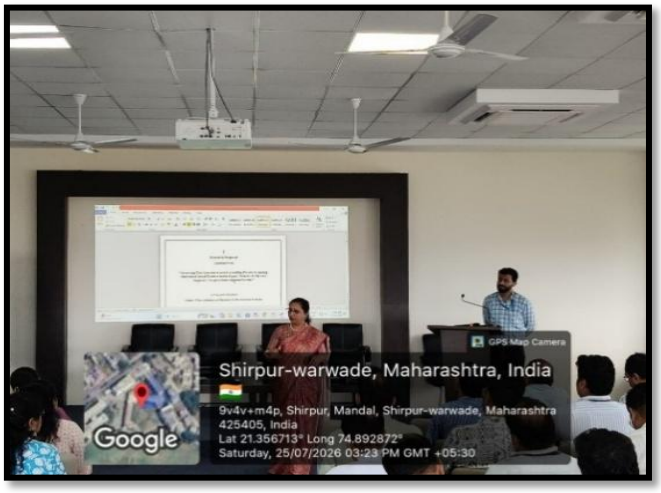

The session was successfully conducted under the valuable guidance of Dr. Vaishali B. Patil, Director of the Institute. Continuous support was extended by Dr. Manoj Behere, Head of the Department of Computer Applications, Dr. Manoj Patel, IQAC Coordinator, and Dr. Tushar Patel, Head of the Department of Management, whose encouragement contributed to the success of the programme.

Meditation for Stress Management

- **Activity Name** : Meditation for Stress Management
- **Date of Event** : 28th to 30th July 2026
- **Conducted By** : Sports Department
- **Venue** : Activity Hall

Institute's Sports Department organized a 'Meditation for Stress Management Session' for students from 28th July 2026 to 30th July 2026 with the aim of improving mental wellness, concentration and stress management among students. The main objectives of the meditation session were: To enhance students' focus and concentration, to reduce stress and anxiety, to promote mental peace and emotional balance, to improve overall performance in academics and sports. In this session total 505 students from UG & PG Courses were actively participated. The session was conducted by Mr. Deepak Borase, who guided the students through various Meditation techniques. He explained the importance of meditation in daily life and how it helps in maintaining discipline, self-control and positive thinking. Students actively participated in breathing exercises and guided meditation. The session was conducted in a calm and disciplined manner, creating a peaceful environment for all participants. The meditation session was highly beneficial and well-received by students. It helped them understand the value of mindfulness and mental fitness along with physical fitness. The Sports Department expressed gratitude to Mr. Deepak Borase for conducting such an effective and inspiring session. The Meditation Session was organized by the Sports Department under the guidance of the Committee Chairman, Respected Director Dr. Vaishali B. Patil Madam, Assistant Director Dr. Manoj N. Behere Sir, IQAC Coordinator Dr. Manoj B. Patel Sir, and Dr. Tushar R. Patel Sir HOd Department of Management. For the successful planning, conduction, and execution of the session, Sports Coordinator Ms. Pooja Jain and Sports Department members Mr. Shreeyash Patil, Mr. S. M. Bagwan, Mr. Rahul Badgujar, Ms. Bhagyashri Patil, and Mr. K. S. Apte made valuable contributions and took sincere efforts.

Session on Special Intensive Revision (SIR)

- **Name of the Event** : Session on Special Intensive Revision (SIR)
- **Date of Event** : 4th August 2026
- **Conducted by** : Student Development Department
- **Venue** : Classroom

The Student Development Department organized a class-wise awareness session on the Special Intensive Revision (SIR) of Electoral Rolls on 4th August 2026. The programme aimed to familiarize students with the electoral roll revision process and encourage them to understand their responsibilities as informed and responsible citizens.

The sessions were conducted by the respective Parent–Teachers, who explained the purpose and significance of SIR in a simple and accessible manner. Students were briefed on various aspects of electoral roll management, including voter registration, verification of electoral details, correction of errors, and updating of voter records. The role of the Booth Level Officer (BLO) in the verification process was also explained.

The session further highlighted the importance of maintaining accurate and updated electoral records. Students were made aware of the need to ensure the inclusion of eligible voters and the appropriate correction or removal of entries relating to deceased, duplicate, or shifted voters. Information regarding documents generally required during the verification process and the importance of providing accurate details was also shared.

An interactive question and answer session was conducted to address students' queries and enhance their understanding of the SIR process. Students were encouraged to share the information with their family members and motivate eligible citizens to verify and update their electoral details.

The awareness session was informative and engaging, providing 691 students with a better understanding of electoral processes, civic responsibilities, and the significance of maintaining accurate electoral rolls. The programme contributed to strengthening students' awareness of responsible citizenship and meaningful civic participation.

Faculty Members Conducting an Awareness Session on Special Intensive Revision (SIR) in the Classroom

Expert Talk on the Occasion of International Day of Indigenous People and Kranti Din

- **Name of the Event** : Expert Talk on the Occasion of International Day of Indigenous People and Kranti Din
- **Date of Event** : 8th August 2026
- **Conducted by** : National Service Scheme (NSS) Unit
- **Venue** : Activity Hall

On the occasion of the International Day of Indigenous People and Kranti Din, the Student Development Department and NSS Unit of R.C. Patel IMRD, Shirpur, organized an Expert Talk on 8th August 2026. This day, declared by the United Nations, emphasizes the protection of the rights of Indigenous people while recognizing their distinct cultures, traditions, and contributions. The program commenced with the ceremonial garlanding and worship of the portrait of Mahatma Gandhiji by the hands of the dignitaries present. The dignitaries on the dais included Dr. Manoj Patel, Internal Quality Assurance Coordinator, Dr. Tushar Patel, HoD Department of Management., Dr. Sachin Surana, Student Development Officer, and Mr. Vijay Garge, NSS Program Officer.

In the introductory session, Ms. Roshani Shinde, T.Y.B.B.A. student, expressed her thoughts and welcomed the gathering. In the expert talk session, Mr. Vijay Garge spoke on the significance of Kranti Din and the Quit India Movement of 1942. He explained how the mass movement inspired by Mahatma Gandhi's historic call of “Do or Die” mobilized the common people and played a significant role in India's struggle for independence. He emphasized that safeguarding the freedom achieved through the sacrifices of the freedom fighters is the fundamental responsibility of every citizen. He further elaborated on the duties and responsibilities of the youth of independent India and urged students to contribute responsibly towards the progress and preservation of the nation.

In the second session, Dr. Manoj Patel addressed on the contribution of the tribal communities to India's rich knowledge tradition, in connection with World Tribal Day. He stated that tribal communities have much to teach society through their close relationship with nature, particularly in areas such as healthy living, social responsibility, and community bonding. He emphasized nature-based health traditions have continued to survive because of the dedication and commitment of tribal communities. He further stated that preserving and promoting this valuable traditional knowledge and heritage is the collective responsibility of society.

The program was ended with the vote of thanks by Ms. Sanika Talware, a student of the institute. The successful organization of the program was supported by the guidance of Dr. Vaishali Patil, Director of the Institute, and Dr. Manoj Behere, Assistant Director. The program also received

valuable cooperation from Dr. Amar Gaur and Mr. Milind Patil, committee members Dr. Yogesh Shethiya, Ms. Jyoti Gorane, Ms. Jyotsna Mali, Ms. Vaishnavi Suryawanshi.

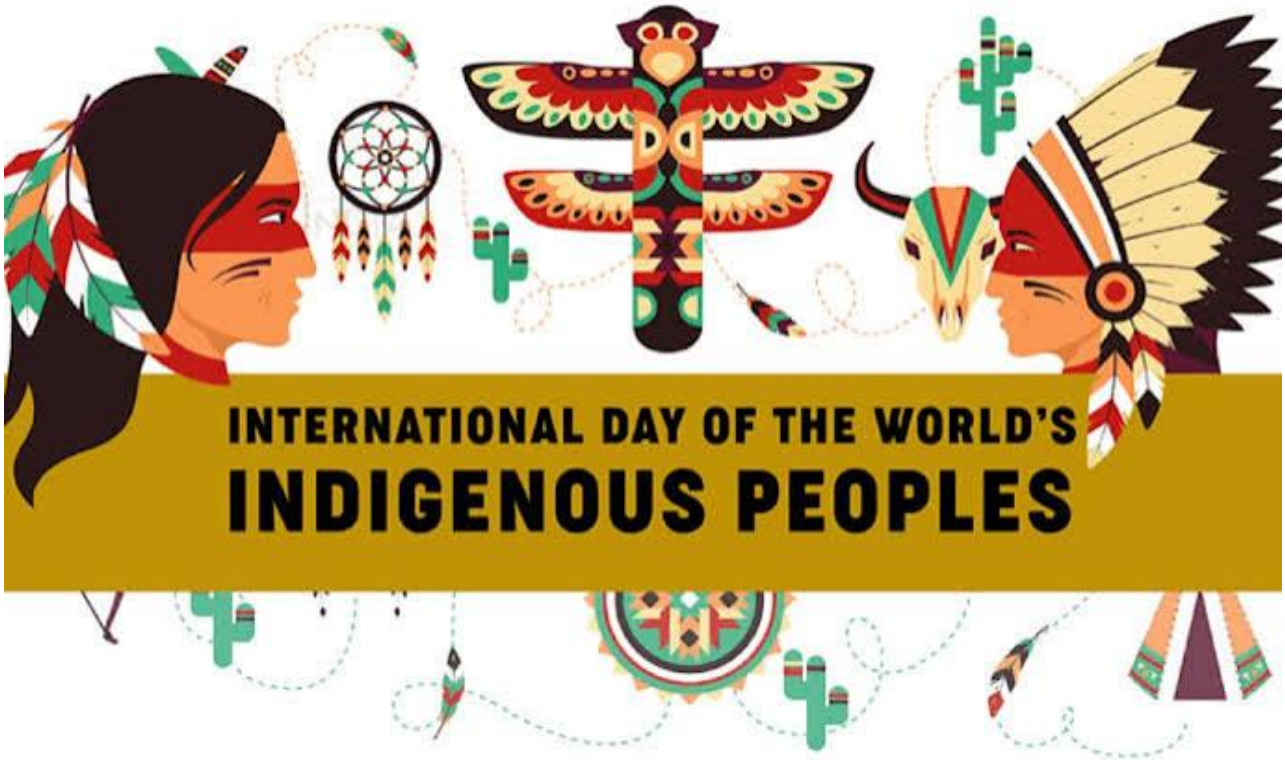

The program provided students with an opportunity to understand the historical significance of the Quit India Movement, and the valuable contribution of tribal communities to India's cultural and knowledge heritage. The Expert Talk on the International Day of Indigenous People helped students understand the values, traditions, and challenges of Indigenous communities. The session enhanced their awareness, encouraged inclusivity, and reinforced the importance of preserving cultural heritage in society.

Mr. Vijay Garge highlighting the significance and historical importance of Kranti Din.

Dr. Manoj Patel addressing the gathering on the valuable contributions of tribal communities to India's rich knowledge

Research Awareness & Methodology Development Program

- **Name of the Event** **:** Research Awareness & Methodology Development Program
- **Date of Event** **:** 10th to 30th August 2026
- **Conducted by** **:** The Research Development and Consultancy Cell
- **Venue** **:** Activity Hall & Classroom

The Research Development and Consultancy Cell of Institute organized the "Research Awareness & Methodology Development Program" during the period 10th to 30th August, 2026. The program was designed to create awareness among undergraduate and postgraduate students regarding the importance and practical utility of research, introduce them to basic research methods and data collection techniques, familiarize them with academic resources and research ethics and encourage a research-oriented and evidence-based approach to problem-solving. The program covered students from Commerce and Management Science and Computer Science. In all, 661 students benefited from the structured sessions conducted by doctorates, research guides and research scholars of the Institute.

Session 1: Mr. Vishal A. Pawar

Date: 10th August 2026 | Student Count: 122 | Venue: Activity Hall | MCA-II

This session encouraged to students for review research problems systematically and recognizes research as a tool for evidence-based decision-making.

Session 2: Dr. Asha R. Patil

Date: 18th August 2026 | Student Count: 114 | Venue: Classroom 8, 9, 10 | TYBCA

This session helped to students for understand how structured inquiry can be used to identify problems, collect relevant information and develop meaningful findings.

Session 3: Dr. Priyanka V. Bhandari

Date: 20th August 2026 | Student Count: 46 | Venue: Classroom 3 | SYBMS and TYBMS

This session encouraged analytical thinking and the use of reliable information as a basis for addressing academic and practical management problems.

Session 4: Mrs. Chhaya Patil

Date: 20th & 21st August 2026 | Student Count: 115 | Venue: Seminar Hall and Activity Hall | MCA (Integrated)-II, III and IV

This session strengthened their awareness of research practices, data collection and the importance of maintaining academic integrity.

Session 5: Dr. Yogesh C. Shethiya

Date: 24th August 2026 | Student Count: 73 | Venue: Classroom 12 | SYBBA

This session motivated to students for observe problems critically, formulate research-oriented questions and seek evidence-based solutions.

Session 6: Dr. Manoj N. Behere

Date: 25th August 2026 | Student Count: 41 | Venue: Seminar Hall | MCA (Integrated)-V

This session encouraged responsible use of academic resources and evidence-based approaches to complex problems.

Session 7: Mr. Kedar Apte

Date: 24th August 2026 | Student Count: 102 | Venue: Classroom 6 | SYBCA

This session encouraged systematic information gathering and logical interpretation of evidence for academic purposes.

Session 8: Dr. Amarsing Gaur

Date: 29th August 2026 | Student Count: 48 | Venue: Classroom 1 | TYBBA

This session promoted critical analysis, systematic investigation and ethical use of information in research activities.

This research awareness program successfully executed under the guidance of respected Director Dr. Vaishali Patil madam, Assistant Director Manoj Behere Sir, IQAC Coordinator Dr. Manoj Patel Sir and HOD Department of Management, Dr. Tushar Patel Sir. The successful organization of the Research Awareness & Methodology Development Program was made possible through the coordinated efforts of the Research Development and Consultancy Cell, participating faculty members, resource persons and supporting staff.

Dr. Manoj Behere and Mrs. Chhaya Patil conducting a session on "How to Conduct Research?"

Celebration of Name Extension Day of Kavayitri Bahinabai Chaudhari North Maharashtra University and Cleanliness Drive

- **Name of the Event** : Celebration of Name Extension Day of KBCNMU University and Cleanliness Drive
- **Date of Event** : 11th August 2026
- **Conducted by** : National Service Scheme (NSS) Unit
- **Venue** : Activity Hall

The National Service Scheme (NSS) Unit of Institute organised a special programme on 11th August 2026 comprising a session on the Naming Extension Day of Kavayitri Bahinabai Chaudhari North Maharashtra University along with Cleanliness Drive.

The programme was organised to create awareness among students regarding the history and significance of Kavayitri Bahinabai Chaudhari North Maharashtra University, while simultaneously developing a sense of cleanliness, civic responsibility and social commitment among students.

The programme commenced with the ceremonial garlanding and worship of the portrait of Mahatma Gandhi at the hands of the dignitaries present. The dignitaries on the dais included Dr. Manoj Patel, Internal Quality Assurance Cell Coordinator, Dr. Tushar Patel, Head of the Department of Management, Dr. Sachin Surana, Student Development Officer, and Mr. Vijay Garge, NSS Programme Officer.

In the introductory session, Mr. Vijay Garge spoke on the occasion of Name Extension Day of the North Maharashtra University. The first session focused on the Naming Extension Day of Kavayitri Bahinabai Chaudhari North Maharashtra University.

Dr. Tushar Patel, Head of the Department of Management, addressed the students and provided information about the history and development of the University, its academic achievements and its rich educational traditions. He explained the significance of naming the University after Kavayitri Bahinabai Chaudhari, the renowned poet from the Khandesh region. He highlighted her unique ability to communicate profound philosophical thoughts, observations about life and social experiences through simple and easily understandable poetry.

The session encouraged students to understand and appreciate the literary and cultural legacy associated with the University. Dr. Tushar Patel also expressed the expectation that students should contribute towards enhancing the reputation of the University through their academic achievements, professional accomplishments and responsible conduct. It also helped students

develop a sense of belongingness towards their University and encouraged them to understand their role in carrying forward its academic legacy.

Following the University Naming Extension Day session, Cleanliness Drive was organised for the students as part of the NSS cleanliness campaign. The activity focused on developing awareness that cleanliness should not be viewed merely as a periodic campaign but as a continuous individual and collective responsibility.

Cleanliness Oath:

As a part of the programme, students were administered a Cleanliness Oath/Pledge. Students took a commitment to maintain cleanliness in their surroundings and to contribute towards creating a clean and healthy environment.

The pledge activity was intended to translate awareness into personal commitment and responsible action. The activity was particularly relevant to the NSS objective of encouraging students to participate actively in socially useful activities and develop a sense of responsibility towards society.

An expert talk on the theme “Cleanliness: My Responsibility” was delivered by Dr. Manoj Patel, IQAC Coordinator.

Dr. Manoj Patel explained that cleanliness is not only the responsibility of housekeeping personnel, local authorities or institutions, but is fundamentally a personal responsibility of every individual.

He emphasised the importance of developing cleanliness habits in everyday life and encouraged students to take responsibility for maintaining cleanliness in their classrooms, campus, homes and public surroundings. He highlighted the relationship between cleanliness, healthy living, environmental responsibility and social well-being. Students were encouraged to avoid littering, use waste disposal facilities properly and motivate others to maintain cleanliness.

Dr. Manoj Patel further highlighted that meaningful cleanliness can be achieved only when awareness is transformed into regular behaviour. He therefore encouraged students to become role models of cleanliness and responsible citizenship.

The session provided students with practical and value-based understanding of how individual actions can contribute to a cleaner and healthier society. The Cleanliness Drive was aligned with the cleanliness campaign communicated by the NSS Department of Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon for the period 01 August to 15 August 2026.

The programme was concluded with and the vote of thanks by Ms. Sanika Talware, a NSS volunteer. The successful organisation of the programme was supported by the guidance of Dr. Vaishali Patil, Director of the Institute, and Dr. Manoj Behere, Assistant Director. The

programme also received valuable cooperation from Dr. Amar Gaur and Mr. Milind Patil committee members Dr. Yogesh Shethiya, Ms. Jyoti Gorane, Ms. Jyotsna Mali, Ms. Vaishnavi Suryawanshi and others.

Dr. Manoj Patel sir guiding students on "Cleanliness: My Responsibility."

Dr. Tushar Patel sir explaining the significance of the university's name to the students.

Debate, Elocution and Music Competition

- **Name of the Event** : Debate, Elocution and Music Competition
- **Date of Event** : 12th August 2026
- **Conducted by** : Cultural Committee
- **Venue** : Activity Hall

The Cultural Committee organized Debate, Elocution and Music Competitions as part of the

Independence Day Celebration on 12th August, 2026 at Activity Hall . The activities provided students with a platform to express their ideas, opinions and views confidently before an audience and to demonstrate their talent in various musical categories.

The competition witnessed active participation from students. A total of 12 students participated in the event. The events were judged by Ms. Dipali Nhalde, and Mrs. Nisarga Kasar. The participants presented their views on the given topics with confidence and enthusiasm. The activity encouraged students to develop effective communication, public speaking, presentation, and listening skills. The session provided an opportunity for students to put forward arguments and counter-arguments in a structured manner.

The participants demonstrated clarity of thought, voice modulation, expression, and confidence. The audience also actively engaged with the proceedings, making the event interactive and meaningful. Along with the Debate and Elocution Competitions, various Music Competitions were also conducted as part of the Independence Day Celebration. The competitions included Indian Classical Vocal, Indian Light Vocal, Indian Group Song, Western Vocal, and Western Group Song. A total of 5 students participated in these music competitions. The competitions were judged by Mrs. Jyoti Gorane.

These activities provided students with an opportunity to showcase their vocal ability, musical expression, confidence, creativity, coordination, and stage performance skills. The enthusiastic participation of the students made the competitions lively and engaging. The events also helped students develop teamwork, presentation skills, and appreciation for different forms of Indian and Western music, contributing meaningfully to the overall celebration of Independence Day.

Winner List:

Debate Competition

Sr. No.	Position	Name of Student	Class
1	First Prize	Roshni Shinde	BBA III
2	Second Prize	Jaydip Borse	BMS II
3	Third Prize	Nandlal Patil	BBA III

Elocution Competition

Sr. No.	Position	Name of Student	Class
1	First Prize	Ankush Jaiswal	BCA II
2	Second Prize	Roshni Shinde	BBA III
3	Third Prize	Nidhi Agrawal	BBA II

Music Competition

Sr. No.	Position	Name of Student	Class
1	First Prize	Sarthak Thakare	IMCA IV
2	Second Prize	Lalit Gurav	BCA III
3	Third Prize	Prashant Jaware	BCA II

Glimpses of the Event

EUREKA! 26 – Business Idea Pitching Competition

- **Name of the Event** : EUREKA! 26 – Business Idea Pitching Competition
- **Date of Event** : 25th August 2026
- **Conducted by** : The Entrepreneurship Development Cell
- **Venue** : Activity Hall

The Entrepreneurship Development Cell of Institute in collaboration with E Cell, IIT Bombay, organized EUREKA! 2026 – Business Idea Pitching Competition on 25th August 2026. The competition was conducted to provide students with a platform to present innovative business ideas and to encourage entrepreneurial thinking, innovation and start-up-oriented approaches.

Objectives of the Competition

- To encourage students to develop innovative and practical business ideas.
- To provide students with an opportunity to present their ideas before an expert panel.
- To develop entrepreneurial vision, analytical thinking and problem-solving skills.
- To identify promising student business ideas for the subsequent Zonal Round of EUREKA! 2026.

Inaugural Session

The programme commenced with Saraswati Pujan. The event was anchored by Samruddhi Sandeep Nikam. The guests and participants were welcomed on behalf of the IMRD ED Cell. Student Coordinator Atharva Patil delivered the introductory remarks and explained the structure of the competition. The Director of the Institute, Dr. Vaishali Patil ma'am, was welcomed with a bouquet. In her address, Dr. Vaishali Patil ma'am encouraged students to explore new opportunities in the industry and start up ecosystem and to come forward with innovative ideas.

Participation and Presentations

A total of 25 teams comprising 41 students participated enthusiastically in the competition. The participants represented diverse academic areas, including management, computer science, engineering and pharmaceutical sciences. The teams presented their business ideas in offline mode. Each team was given 10 minutes to present its business concept, covering the problem and proposed solution, market opportunity, revenue model and financial planning.

Evaluation Criteria

The presentations were evaluated on the basis of innovation, feasibility, implementation strategy and overall effectiveness. The participants demonstrated strong analytical thinking and entrepreneurial vision through their presentations.

Winners and Selection for the Zonal Round

The three winning ventures—DIGISCALE, NUTRIFACT and AQUASAKSHAM—were selected for the subsequent Zonal Round of EUREKA! 2026.

Position	Team Code	Student Name	Venture Name	Institute/ College Name
First	T- 005	Ankush Ajay Jaiswal	DIGISCALE	RCPET's IMRD, Shirpur
Second	T- 024	Varun Navanit Chavhan	NUTRIFACT	RCPET's IMRD, Shirpur
Third	T- 008	Danish Salim Pinjari	AQUASAKSHAM	RCPET's IMRD, Shirpur

Dr. Vaishali Patil ma'am, Director, addressing the gathering and highlighting the importance of innovation, entrepreneurship, and participation in EUREKA! 2026

Dr. Vaishali Patil ma'am, Jury Members, and Student Volunteers during EUREKA! 2026 – Business Idea Pitching Competition

आर.सी.पटेल आयएमआरडीत प्रसाद खापर्डे यांच्या शास्त्रीय गायन कार्यक्रमाला प्रतिसाद

शिरपूर : आर. सी. पटेल एज्युकेशनल ट्रस्टच्या आर. सी. पटेल इन्स्टिट्यूट ऑफ मॅनेजमेंट रिसर्च अँड डेव्हलपमेंट आणि आर. सी. पटेल कला, वाणिज्य व विज्ञान महाविद्यालय यांच्या संयुक्त विद्यमाने तसेच स्पिक मॅकेच्या सहकार्याने शास्त्रीय गायक पंडित प्रसाद खापर्डे यांच्या विशेष शास्त्रीय गायन कार्यक्रत एस. एम. पटेल सभागृहात झाला.

पंडित प्रसाद खापर्डे हे रामपूर-सहसवान घराण्याचे हिंदुस्थानी शास्त्रीय गायक असून आपल्या भावपूर्ण व प्रभावी गायनासाठी ते विशेष ओळखले जातात. त्यांच्या भावपूर्ण गायनातून हिंदुस्थानी शास्त्रीय संगीताची समृध्द परंपरा, स्वरांची सुंदर मांडणी तसेच स्वर, लय, ताल आणि भाव यांचा सुरेख अनुभव उपस्थितांना घेता आला. त्यांनी आपल्या मनोगतात शास्त्रीय संगीत हे गायनाचा पाया आहे. विविध प्रकारची गीते ही कोणत्या ना कोणत्या रागावर आधारित असतात, असे सांगत शास्त्रीय संगीताचे महत्त्व स्पष्ट केले. श्री.खापर्डे यांना गौरव तांबे यांनी तबला, संस्कार जनोरकर यांनी हार्मोनियम आणि जयदेव भुसारे यांनी गायनाची साथ दिली. त्यांच्या सुरेल साथीमुळे कार्यक्रमातील गायन अधिक प्रभावी व श्रवणीय झाले.

कार्यक्रमाचे उद्घाटन तसेच कलाकारांचा सत्कार आर.सी. पटेल इन्स्टिट्यूटच्या संचालिका डॉ.वैशाली पाटील, आर. सी. पटेल महाविद्यालयाचे प्राचार्य डॉ. हितेंद्र एस. महाजन यांच्या हस्ते करण्यात आले. सूत्रसंचालन बी.बी.ए.च्या विद्यार्थिनी हर्षदा रणदिवे यांनी केले. कार्यक्रमाच्या आयोजनासाठी स्पिक मॅकेचे समन्वयक प्रितम पाटील यांचे सहकार्य लाभले. कार्यक्रमाला शिरपूर परिसरातील विद्यार्थी, प्राध्यापक, संगीतप्रेमी आणि रसिकांची उपस्थिती लाभली. हा कार्यक्रम डॉ. वैशाली पाटील, विभागप्रमुख डॉ. मनोज पटेल, डॉ. तुषार पटेल, डॉ. मनोज बेहेरे यांच्या मार्गदर्शनाखाली यशस्वीरीत्या पार पडला. सांस्कृतिक समितीच्या समन्वयक डॉ.रुपाली अग्रवाल, समिती सदस्य महेश भावसार, राहुल चौधरी, तृप्ती चौधरी, मानसी भावसार, सुचिता जाधव, हर्षल भामरे यांचे सहकार्य लाभले.
