       Subject :-List of conferment of Academic Grading to Affiliated Colleges/ Recognized Institutions of Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon.

Dear Sir/Madam,

       In accordance with the provision under section 117 (1) of Maharashtra Public Universities Act,2016, it is necessary to have inspection of the Affiliated Colleges/Recognized Institutions, at least once in every three years, to decide standards of academic and administration of the Affiliated Colleges/Recognized Institutions.

       In this regard, various Committees have been constituted by Hon'ble Vice-Chancellor for quality improvement in the University and in Affiliated Colleges/Recognized Institutions. Out of which, some of the committees have visited the colleges and submitted their reports to the University.

       According to the reports submitted in the form of Academic Audit by the Quality Improvement & monitoring Committees, similarly the information & docouments submitted to the committees by the concerned Colleges at the time of the visit. In this matter, the meeting of the said committee, was arranged on 8 May,2019, for scrutinized & inspected the docouments.

       Committee has decided those colleges, which have scored less than 40 marks out of 100, are not given any Grade (No Grade). Such colleges should contact (Development/IQAC Section) in order to reform their grade and should make immediate efforts for the same.

       And those Colleges, which are not yet visited by the Quality Reform Committees, requested that please contact the constituted committees by University for inspection Therefore, the Colleges are expected to keep all information & relevant docouments ready.

Letter of Interest

To

Greetings from Infosys BPM!

We refer to your application for employment and the subsequent interview process you had with Infosys BPM Limited ("Company").

We are pleased to inform you that you have cleared the selection process held at your college. You would now be expected to attend our training program at the Infosys campus in Mysore for a duration of 15-20 days. Post training, you will undergo an assessment and on clearing the same, you may be offered a role/job in the Company. While this letter does not directly constitute an employment offer, If you do clear further rounds of our selection process and complete the other necessary formalities, a letter of employment will be sent to you with all your joining details. There are certain terms and conditions that a candidate must know while exploring employment options with the Company. Given below is a non-exhaustive list of these terms and conditions:

1. A candidate may be assigned to work in, deputed or be transferred to any of the Company's units / departments, locations, affiliate entities or subsidiary companies. The Company expects the candidate to be willing to undertake the responsibilities assigned to him/her in the location/department/unit as may be determined by the Company.

2. A candidate is required to submit certain documents at the time of joining the Company. The Company will communicate to the candidate the list of those documents once it decides to make an offer of employment to him/her. It is expected that the candidate will submit each of those documents, failing which the Company may take appropriate action(s) including the withdrawal of the offer of employment.

3. The Company has its own transport facility for the benefit of all employees. An employee can avail this facility, provided he/she abides by the Company's transport policy. Once an offer of employment is made to a candidate, the terms of the above stated policy will be communicated to him/her.

4. Before joining employment of the Company a candidate has to submit a medical certificate in the form and manner prescribed by the Company. In addition to this, the Company reserves the right to conduct further verification of your medical condition and/or records if it is deemed necessary in light of the work that will be performed by you.

5. Each candidate who is made an offer of employment by the Company is required to register himself/herself on [www.nationalskillsregistry.com] before joining employment of the Company at his/her own cost, failing which the Company may take appropriate action(s) including the withdrawal of the offer of employment.

The Company reiterates that this letter is being issued to intimate you about the essential terms which you must be aware of while considering employment opportunities with us. You are therefore requested to ensure that all these terms are adhered to at every point during the selection process. We look forward to your participation in the further rounds of selection and hope to see you at Infosys BPM.
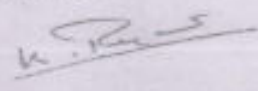

For any further clarifications, please do reach out to us at bpm_campusteam@infosys.com. 080-60670678

Institute Level Avishkar

The aim of competition is to develop the research attitude; IMRD has organized Institute Level Avishkar. This will lead to help the students to get the right career opportunity. Through this platform, individuals are encouraged to think critically and explore novel solutions to real-world challenges. Avishkar competitions promote collaborative teamwork, research, and skill development, nurturing a culture of entrepreneurship and excellence. Participants showcase their talents and ideas to a wider audience, gaining valuable experience and feedback from judges and industry experts. Ultimately, Avishkar aims to inspire creativity, empower individuals to make meaningful contributions to society, and drive positive change through innovative thinking and action.

Business Consultancy Policy Documents and Project Details

Business Consultancy Cell

The Business Consultancy Cell at our institute serves as a bridge for knowledge exchange between academia and various sectors, including government, public entities, and private businesses. Our esteemed academic and technical staff offer tailored consultancy services to address challenges, enhance performance, and incorporate emerging trends. Beyond serving established entities, we extend our expertise to student entrepreneurs, community groups, educational institutions, and business organizations. This policy aims to equip IMRD students—the future entrepreneurs—with essential skills and support. Additionally, it promotes rural entrepreneurship, women-led businesses, and small-scale enterprises in the Khandesh region, fostering sustainable development and economic prosperity. The Business Consultancy Cell is committed to forging enduring partnerships with industry stakeholders, identifying growth opportunities, and providing viable solutions.

Vision

"To be a pioneering center of consultancy excellence, catalyzing transformative growth for rural entrepreneurs, empowering women entrepreneurs, and fostering the development of small-scale businesses in rural areas."

Mission

Our mission is to empower rural entrepreneurs, particularly women, and facilitate the growth of small-scale businesses in rural areas through exceptional consultancy services, fostering sustainable development and economic prosperity in our communities.

Objectives of Business Consultancy

1. To offer guidance and support in areas such as business planning, strategy development, and market analysis to enhance their competitiveness.
2. To offer business consultancy services tailored specifically for IMRD students aspiring to launch their own ventures, providing them with the necessary guidance, resources, and expertise to successfully initiate and grow their businesses.
3. To provide training and workshops focused on key business areas such as marketing, sales, and operations to improve their business acumen.
4. To provide business consultancy services tailored to the unique needs of women entrepreneurs and small business entrepreneurs.

Scope of Business Consultancy Cell:

- Consultancy Services may be offered to individuals, industries, service sectors, government departments in niche areas of expertise available in the institute.
- Market survey, research and analysis.
- HR related expertise.
- Finance and investment related expertise.
- Soft skills training and development.
- IT supports.
- Social media platform supports.

General Principles of Consultancy:

- Faculty members may engage in consultancy work within their areas of expertise.

- Prior permission from the Director of the Institute is required before undertaking consultancy services.

- Consultancy activities should not impede the faculty member's primary responsibilities or departmental duties.

- Consultancy services must align with the best interests of the Institute and should not create conflicts.

- Consultants must refrain from involvement in any unethical or inappropriate activities related to their consultancy work.

- Two types of consultancy services are offered: Individual Consultancy and Institutional Consultancy.

- Individual Consultancy involves services provided by a single faculty member.

- Institutional Consultancy entails collaboration among faculty members from the same discipline within the institute.

- It operates on a **free-of-cost** basis, no fees will be charged to clients. However, any external expenses (such as travel or data collection costs) incurred during the consultancy project will be borne by the client.

Circumstances under which consulting activity may be permitted:

- Organizations seeking consultancy services from faculty or departments must formally request the Director, outlining the required expertise. Alternatively, faculty members may directly seek permission from the Institute's Director.

- The Director will assess the suitability of consulting activities, considering factors such as faculty members' existing responsibilities, potential conflicts of interest, and the utilization of institutional resources.

- An Memorandum of Understanding (MoU) may be established between the organization and the institute detailing the nature of the consultancy work and associated terms.

- Faculty members or groups engaged in consultancy work must provide periodic progress reports to the Head of Department (HOD) or Institutional Quality Assurance Cell (IQAC) Coordinator.

- Staff members involved in external visits for consultancy purposes must utilize accrued leave as appropriate. Duty leave may be granted at the Director's discretion.

Review and Amendments

- This policy will be reviewed annually by RCPET's IMRD management to incorporate any necessary changes.
- Amendments may be made based on feedback, emerging trends, and evolving business needs.

Activity Name: Financial Consultancy: Cost cutting Strategies for Royal Cafe, Shirpur

Date: 01st October, 2022

Objectives:

- Provide cost cutting strategies for enhancing financial soundness.
- Reduce marketing cost.

Highlights:

The Business Consultancy Cell provided consultancy to Royal Cafe, Shirpur for Cost cutting strategies. Restaurant is one of the businesses where quality, quantity and price of the product matters in financial health and customer satisfaction of the business. Restaurant business needs to cope up with high quality with affordable prices but such things sometimes result in losses for the business. Cost cutting approach without negotiating with quality and customer satisfaction is one of the strategies to deal with the same situations for the business.

The Business Consultancy Cell organized meeting on 23rd August 2022 with Mr. Harshal Rajput, the owner of Royal Cafe in Shirpur for discussion on financial constraints, high operational costs, inventory management, and waste disposal expenses. As per the discussion with Mr. Harshal Rajput, Business consultancy cell worked on preparing cost cutting strategies for his business and presented on

01st October, 2022. After presentation and follow-up discussion, Business consultancy cell submitted the same suggestions to Mr. Harshal Rajput, to reduce his business cost.

Following measures were suggested to Royal Café for cost cutting:-

1. Review the inventory ingredients and suggest make such ingredients to minimize cost.
2. Suggested inventory management to avoid overstocking and excess inventory costs.
3. Communicated with staff to know the waste generation and consolidate ingredients whichever possible to reduce waste.
4. Suggested contacting pet feeders to divert food waste and reduce disposal costs.
5. Focus social media marketing in order to reduce marketing cost.

Activity Name: Customer Satisfaction Survey for The Shirpur Peoples Co-operative Bank,
Shirpur

Date: 28th October, 2022

Objectives:

- To review Customer satisfaction
- To identify the scope of improvement in staff behavior.
- To identify the scope of improvement in the branch premise environment.

Highlights:

The Shirpur Peoples Co-operative Bank is committed to providing the best possible banking services to its customers. In order to ensure that the bank is meeting the needs and expectation of its customers, Business consultancy Cell conducted a customer satisfaction survey in August 2022.

The survey aimed to identify areas where the bank could improve its services and enhance customer satisfaction. The objective of the survey was to evaluate the level of customer satisfaction and identify areas for improvement in staff behavior and branch premise environment. The survey was distributed to bank customers via questionnaire. The participants were asked to provide feedback on their overall experience with the bank, with specific questions focused on staff behavior and branch premise environment.

The survey results were collected and analyzed using statistical tools and methodologies. The comprehensive reports prepared by consultancy cell highlighted key findings and actionable insights for the bank management team.

Overall, the customer satisfaction survey conducted by Business Consultancy Cell helped the Shirpur Peoples Co-operative Bank to identify areas fir improvement and enhance customer satisfaction.

"Marketing Consultancy: Online presence through digital marketing for Shree Ram Eye Hospital"

Date: 8th December 2022

Venue: Shree Ram Eye Hospital, Shirpur

Owner: Dr. Rakhi Aashish Agrawal

Introduction:

Our primary objective with Shree Ram Eye Hospital was to enhance its online presence and draw in more patients through digital marketing. We aimed to ensure the hospital was easily discoverable online, persuade individuals to select it for their eye care needs, foster trust, and educate the public on eye health.

Digital marketing strategy involved active engagement on social media platforms, running targeted advertisements which are focusing on eye health. These combined efforts led to increased visibility, a greater influx of patients, and enhanced trust in the hospital's expertise.

Ultimately, our digital marketing endeavors have significantly elevated Shree Ram Eye Hospital's online visibility, enabling it to better cater to its community.

Objectives:

- To make Shree Ram Eye Hospital more visible online so people can easily find information about its services and expertise.
- To provide digital marketing strategies to reach potential patients and convince them to choose Shree Ram Eye Hospital for their eye care needs.
- To showcase the hospital's expertise and patient's experience to build trust and credibility among the audience.

Business Consultancy Suggestions:-

1. Increasing engagement on social media platforms like WhatsApp, Facebook and Instagram.
2. Regularly posting the hospital's information ensures that visitors and existing patients can easily access details about services, doctors, checkup camps, general eye healthcare, and contact information.
3. Circulate teasers on success stories, various offers and eye checkup camps, awareness about eye health.
4. Circulate best wishes teasers on special occasions and festivals.

Business consultancy cell designed and developed teasers for:-

1. Special occasions and Festivals Wishes
2. Awareness about Eye health care
3. Provided Services and schemes for patients

Conclusion:

Our digital marketing strategies have helped Shree Ram Eye Hospital to improve her online presence, attract more patients, and build trust among the audience. By focusing on visibility, patient engagement, and educational content, the hospital is better positioned to serve its community and fulfill its mission of providing quality eye care services. Continued efforts in digital marketing will be essential to sustain and further enhance these results in the future.

Industrial visit at Jain Irrigation System Ltd., Jalgaon

KBC North Maharashtra University has introduced a new subject in the Bachelor of Business Administration from the academic year 2018-19. The basic objective of the subject as well as practical is that the students should understand the efforts of the government to boost this crucial sector. State & Central government is offering the bunch of various grants, subsidies to the Micro, Small & Medium sector enterprises through various programs.

On 13th October 2018 students of second year BBA had a chance to practically visit one of the best industries in the world in agriculture sector i.e. Jain Irrigation Systems Ltd., Jalgaon.

Total 41 students along with Mr. Amul Tamboli & Ms. Seena T. headed towards Jain Irrigation. The industry is located at around 110km from Institute. All the students and faculties reached to industry and were received & greeted by Mr. Chinmay Joshi, Public Relations Officer (Jain Irrigation Systems Ltd.). Initially he has given the basic information about the industry from inception to the present, various important milestones in the journey of company, its methodologies to deal with farmers & agriculture sector. He explained how innovative the company is working keeping farmers in the central roles. Various products & services offered were discussed in details. All students witnessed the entire awards the company received till now. There are various units of the company each specializing in its work. Most of the machineries & techniques are imported from the top economies of the world & practicing in India at this facility only. Increasing the theory knowledge as well as practical application of the same was the basic motive behind organizing this Industrial visit at Jain Irrigation Systems Ltd.

Students got the required information & knowledge about work culture of top companies in the agriculture sector through these interactions. Students witnessed various applications & technologies supported by IT functions, Infrastructure and campus facilities provided by Jain Irrigation Systems Ltd. in the factory premises. All the students enjoyed this outing. This industrial visit has clarified many doubts in the minds of students of second year BBA which they have learned during the lectures of subjects in the syllabus. This has made them to realize:

How the government is helping to motivate the small & medium scale industries across India & various states? & what are the various subsidies & incentives reserved for this sector? The major focus was to study all the initiatives of state government of Maharashtra as well as central government towards the overall industrial development in economy. Students have prepared various reports in earlier practical of the same subject. This visit has added a good value to the overall understanding of both the subject as well as practical in the real way. Students clarified their doubts on various concepts during the visit & submitted the report in the journal in the subject practical file. The visit ended with a positive note from Joshi sir (PRO)
