	e. Teacher's guidance in extracurricular activities, soft skills, life skills and employability skills, etc.	30	35	30	4	1
	f. Tools utilized by teacher for teaching	36	36	23	4	1
11. Any suggestion about syllabus to include any new subject or technology?	✓ Add live techology related subjects like data science,AI,ML,Add python in syllabus ✓ Android Python, IOT, Swift(IOS), Dada science , React Language subject ✓ Ionic Angular js, Node js, Advance Java ✓ Classes for CAT ✓ Communication and Soft Skill ✓ Guide about whole syllabus from first sem that way students are more preparation for future technological					

|	
	subject and better understanding to choose their interested subject. ✓ Highly expected subject Python are required ✓ I think some aptitude type question class should be start for the 2nd year students, it will be better. ✓ Internet Of Things ✓ Linux is available in all the companies, so you replace it with Linux in your computer system ✓ Mini Project for every semester ✓ New technology is Hadoop and data science ✓ Some motivational entrepreneurs lessons ✓ Start aptitude class from first year ✓ Stock market include the syllabus ✓ Studying new technology in every week
12. Any suggestion?	✓ Analysis and cooperate each and every student. For industrial training invite the new MNC companies or higher level organization. ✓ Available of more placements ✓ Communication based activities ✓ Every semester mini projects ✓ Only one suggestion from me to organize the Technical / IT Certified short courses mainly for BCA students. ✓ "Organize Coding competitions and programs where actual student will develop their knowledge. But only for interested students. ✓ Provided Industrial knowledge..... ✓ Suggestion is please update syllabus regularly. New technologies are land up in market. ✓ Take Mini project Exhibition in Every Sem So students can learn more about programming languages than Simple Programing.
