With a fresh exposure of the induction programme, the students were exposed to the milieu of the institution with zeal and enthusiasm. Likewise every year, the induction programme was decided to be delivered on three major phases i.e. Welcome Phase, Training Phase, and Concluding Phase. To make the students feel comfortable in a new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self & society.

As the student intake is large in numbers it was collectively decided by the committee that the whole group of students were split into three groups.

There are various committees in the Institute like AIMS, ED Cell, CSI, Sports and cultural committee through which they organize many events under the guidance of Institute's Director, Dr. Vaishali B. Patil. The session "Introduction to extra-curricular activities" was to

introduce these cells and their activities to the first year students.

This session highlighted the activities to be undertaken by Institute's Training & Placement Department for supporting students in enriching their careers. Training & Placement Officer and Faculty representative of Training & Placement Department of IMRD interacted with the entrants. They introduced different activities performed by the department during the year and enlightened students about the scope of shining careers in government as well as the corporate sector. IMRD offers various career oriented certificate courses to the students along with full time degree courses. Entrants were given information about the Certificate & Vocational courses and a comprehensive presentation on course registration, syllabus and exam pattern of these courses. Students were motivated and appealed to pursue certification courses in addition to the regular curriculum in order to fill the knowledge gap.

Needless to say, English Proficiency plays a vital role in the academic and professional life of a person. Candidates proficient in English enjoy more accolades at both the grounds. With a view to evaluating the English competence of entrants, a Diagnostic Test was scheduled. Entrants of first year BCA, BBA & BMS took up the test with all interest. Helping teachers and entrants identify problems and gaps in the area of language acquisition, the Diagnostic Test served the purpose explicitly.
