Activities and Competitions -

- **Induction week** – Institute conduct Induction week for all BCA, BBA and BMS first year students. This program is mostly arranged and carried out by second and third year students of BCA, BBA and BMS. It is one week induction program organized for newly admitted fist year students. During this program various activities are carried out by senior students like: Welcome of Fresher's, Faculty Introduction, Rules and Customs of Institute, Inform Program Outcome, Program Specific Outcome and Course Outcome, Importance of Communication skills and Personality Development, Quiz Competition, Poster presentation, Fun and learn activity Probe based activity. The main objective of this program is to introduce new students to the tradition of Institute and its successful culture. Total of 300 students participated in this program which was conducted from 05th – 10th October 2020. Faculty members and student volunteers from second year BCA, BBA and BMS worked extensively to ensure that the induction was well organized. The following report includes the schedule and brief notes on the various events conducted as part of the induction program.

- **Induction Program -** After a successful completion of such induction week Institute organizes Induction program for all BCA, BBA and BMS first year students. It is mostly arranged and carried out by BCA, BBA and BMS second and third year students. In this program academic toppers are felicitated in front of their parents so it is a proud moment for them too. Students present PPT which include program objectives and course objectives, and Course structure of UG syllabus. Institute takes Student feedback after this program, which is an important process for the institute which gave opportunities to gain their views and opinions which will help institute to improve the quality and standards of provision in the future. The junior students thanked the senior students to organize such beautiful event for them. All seniors expressed their thanks to faculty members and juniors as they got such opportunity to present them in front of their juniors. Institute hosted one week online induction program for the fresh entrants to BCA, BBA and BMS programs, in line with the AICTE requirements through Zoom Meeting

- **Teacher's day Best Message Contest Activity** – Institute's UG department organizes Teacher's day best message contest on the occasion of teacher's day. The main objective behind conducting this contest is to give chance to students to express their love and gratitude for their beloved teachers. In this contest the students pen down their messages towards their teachers on the sheet of paper provided by Institute. The first three best messages are selected from each participated junior college and attractive prizes along with certificates are given to the winners by Institute. This activity is conducted by the team of UG students under the guidance of HOD faculties from UG department.

- **"Srujan" EVS Presentation Competition** – Institute organizes "Srujan" EVS PowerPoint presentation competition for the 1st year students of BBA, BCA and BMS. Different themes for this competition are given to the students like: Water Pollution, Air pollution, Acid Rain, Solid waste, Deforestation, Biodiversity, Natural Disaster, Homemade Organic farming, Save Trees, Plastic waste management, Green energy, etc. The objective of this competition is to identify students with their talent also to realize them their potential in EVS studies, improve their communication, presentation skills. Also to encourage these young minds to understands the environment and the need for sustainability. Our planet is changing. We need help it change for

the better and we are asking for help to do that! There are a lot of things that affect our planet in a bad way but the best part is that everyone can help to reduce them and do their bit for the environment. Through this kind of competition students pass the message of Save Environment Save Earth" It is a survival truth individuals, organizations and governments need to come together and join hands to protect what is left of our planet so that the future is not wiped out before it's time for curtain call. Second year students gave their best support to make this event successful.

- **"Anwesh" Field work Presentation Competition** – Institute's UG department organizes this competition for All BCA, BBA and BMS final year students. The main objective of this activity is to boost confidence of students, develop their communication and presentation skills and to make students aware of different social issues and contribute themselves. Students with the help of PowerPoint presentation present their views on various social topics like education, social issues mobile addiction, sanitation, superstition, women empowerment, fitness etc. Students gave their enormous response in the field work presentation.

- **"Techno-fair" - Software Exhibition -** CSI branch of Institute and UG department organizes **"Techno Fair"** for BCA final year students. The main objective of this activity is to improve technical skills of students also to improve their confidence level. Students should understand all the phases of software development, Data Gathering, Data Analysis Design, Coding, Testing etc. It provides students an opportunity to investigate a management problem in a scientific manner. It enables students to apply the conceptual knowledge in a practical situation and to learn the art and science of conducting practical study in a systematic way and presenting its findings in the form of report. The students are encouraged to involve themselves completely in the project work.

- **Social Responsibility –Tree plantation** - As a part of Corporate Social Responsibility IMRD have taken initiative to plants multiple trees at R. C. Patel Diploma College garden. All the UG and PG faculties, students from all departments participated in this activity and planted multiple trees. The purpose of tree plantation was to save the endangered environment and to beautify our life.

- **Chhatra Probhodhan Magazine Promotion Activity -** Institute has organized "Chhatra Probhodhan Magazine Promotion Activity 2020-2021" for UG and PG students. Institute has created online messages in English and Marathi language for the students to promote magazines with their friends and relatives during the COVID 19 pandemic. Students give the detailed information regarding purchasing of magazines and also about online payment process for purchasing. In this activity students have online promoted "Chhatra Probhodhan Magazines' ' which includes educational learning resources.

- **12 Days Virtual Skill Development Program by Infosys, Bangalore -** The Training and Placement cell of the Institute organized a virtual 12 days Skill Development Program for final year BCA, BBA and BBM students through Zoom in collaboration with Infosys, Bangalore from 1st Feb. to 16th Feb. 2021. This is the fifth year we have been in touch with Infosys, Bangalore and are organizing this program for students to develop their communications and employability skills. For this the training and placement cell strives hard by developing the students not only in curriculum but also in different aspects such as

communication skills, aptitude skills, technical skills, corporate skills etc. through different workshops, seminars, and training programmes. This year total 155 students participated for the assessment test through which Infosys team shortlisted 106 students for the Skill development program. Ms. Apoorva Uke & Ms. Keerthi Chalakaran from Banglore were the resource persons for this SDP.

- **Knowledge Enhancement Week -** Institute organized Knowledge Enhancement Week that contained 'Quiz on Entrepreneurship, Picture Perception- Story Writing and Two minute: Self Introduction'. In this enhanced week all first year classes of BBA, BCA & BMS were involved. They were informed in detail of all the instructions and were highly motivated by the respective class teachers from time to time. The Quiz on Entrepreneurship had 25 basic questions for 50 marks which were based on videos, students had to solve within 60 minutes. This quiz is supposed to be based on the Videos on the Entrepreneurs or Techno-Entrepreneurs like Mr. Narayan Murthy, Mr. Shiv Nadar which were already shared with them. Students have to write a story on paper with their Name, Class with Division, Roll Number and upload a scanned copy of your Hand Written story on Google form. It must contain at least 15 sentences in English/ Hindi / Marathi. Third activity was a Two minutes self-introduction by students in video form. Students are given one hour to create a Self Introduction Video using the content shared with them.

- **Web Design Competition** –This competition is basically organized for MMS(CM) students. Participated students of MMS(CM) to implement web design skills such as adequate text-to-background contrast; Easy-to read font size; easily identifiable navigation with clear and concise labels; Consistent styles and colors; Text without spelling and grammar errors, Presentation skills, technically upgrade.

- **Knowledge Sharing Session** – MMS(CM) department frequently organizes knowledge sharing session for student. In this session subject expert faculties are invited from other department of institute. They take session on recent trends in IT, Management, Case Studies, personality development, Banking etc. which help students to get updated knowledge.

- **Mini Projects** – Mini projects are assigning to students for implementing their learning skills to develop computerized system. It is practice of applying learning knowledge for different system domain development.

- **Sports Activities -** Students of institute participated in various sports activities such as Cross county, chess, Badminton, Athletics, hand ball, cricket, archery, fencing at the All India inter university level, KBCNMU inter zonal level, inter collegiate level etc.
